SECURITY UPDATE

Do you feel safer at KBI on Shabbos, knowing that Shomrim volunteers are looking out for us? We hope so. However, we do not have enough members covering the needed shifts. Some Shomrim have already taken many shifts back to back, giving much more of their time than they should need to. If you feel able to help keep our community safe, please join the Shomrim Security Team. Speak to any of the Shomrim for more details.

AIPAC ISRAEL UPDATE August 10, 2018

OVER 150 ROCKETS LAUNCHED INTO ISRAEL, WOMAN SERIOUSLY INJURED

A woman was seriously injured in Israel early Thursday morning when a rocket launched from the Gaza Strip hit a home in the Eshkol regional council near the Palestinian enclave, the Times of Israel reported.

The woman was a 30-year-old foreign worker from Thailand. She suffered injuries to her abdomen and limbs. Another person was lightly injured, and several were treated for shock. Thursday morning's injuries brought the total of wounded on the Israeli side to five in the current cycle of violence. Rocket barrages by the Hamas terror group continued throughout the night. The military said over 150 rockets and mortar shells were launched at Israeli communities since Wednesday evening. Most of the rockets hit open areas. The Iron Dome defense system — which targets only missiles projected to strike communities — destroyed 25 of the rockets. However, several hit homes and factories in Israeli communities, causing damage. One barrage that slammed into the city of Sderot Wednesday evening injured three Israelis. At least eight others were treated for panic attacks, including two pregnant women who went into labor. In response to the attacks, the Israeli army said it struck over 100 Hamas targets in the Gaza Strip overnight.

Our synagogue partners with AIPAC, America's pro-Israel lobby, in educating our community on issues affecting the U.S.-Israel relationship. We encourage you to learn more by contacting AIPAC at (202) 639-5200 or by visiting www.aipac.org.
