## **Limited Partnerships - From K1 to Tax Return - 3826W-T-00137-18-I**

Many taxpayers invest in public limited partnerships even though their tax treatment is relatively complex. In this class, we will review the tax consequences of owning public limited partnerships starting with the purchase going through to the sale, including how the K1 information flows to the investor's tax return.

## **Tax Research and How to Communicate it to the Agencies – 3826W-T-00138-18-I**

Tax practitioners often encounter transactions for which the proper tax treatment is not readily known. In this class, we will outline a structured tax research process that can be applied to any tax research question. In addition, communicating research results to the file, to the client, and to the IRS will be covered with examples.
