

**STATE OF FLORIDA**  
**FLORIDA FISH AND WILDLIFE CONSERVATION COMMISSION**

**Order No. EO 18-38**

**Temporary Modification of Regulations for  
Red Drum and Snook in Southwest Florida**

The Fish and Wildlife Conservation Commission of the State of Florida, acting under the authority of Article IV, Section 9, of the Florida Constitution, and acting through its Executive Director under Paragraph 22 of the Delegations of Authority, and due to the prolonged natural red tide event in southwest Florida that has caused widespread mortality of saltwater fish, hereby temporarily modifies the Red Drum and Snook fisheries to be catch-and-release only within specified waters of southwest Florida. Such actions are only authorized as follows:

1. The provisions of this order apply in and on all Florida waters of the following geographic areas:
  - a. All Florida waters of Manatee County south and east of a line commencing at the westernmost point of Emerson Point (27°31.92'N, 82°38.808'W), thence proceeding in a westerly direction to the northernmost point of Anna Maria Island (27°32.36'N, 82°44.60'W), thence proceeding due west to the intersection of the Manatee – Hillsborough county line (27°32.36'N, 82°52.40'W), including all waters of the Manatee and Braden rivers;
  - b. All Florida waters of Sarasota, Charlotte, and Lee counties; and
  - c. All Florida Waters of Collier County north of a line extending due east and due west from the south bank at the mouth of Gordon Pass (26°05.52' North Latitude).
2. Notwithstanding anything to the contrary in Chapters 68B-22 or 68B-21, Florida Administrative Code (F.A.C.), and except as provided in paragraph 3 below, a person must immediately release any Red Drum (*Sciaenops ocellatus*) or Snook (*Centropomus* spp.) caught in or on the described region during the term of this order and may not possess a Red Drum or Snook in the described region.
3. During the term of this order, a person may temporarily possess a Red Drum (*Sciaenops ocellatus*) or a Snook (*Centropomus* spp.) in or on the described region, only for the purpose of photographing, measuring, or weighing (with a hand-held scale) such Red Drum or Snook. A person who temporarily possesses a Red Drum or a Snook pursuant to this paragraph must release such Red Drum or Snook alive and unharmed in the immediate area where it was caught, immediately after it has been photographed, measured, or weighed.
4. All other rules or orders of the Commission relating to Red Drum (*Sciaenops ocellatus*) and Snook (*Centropomus* spp.) shall remain in effect.
5. This order shall take effect at 8:30 a.m. on August 30, 2018 and shall expire at 11:59 p.m. on October 12, 2018, unless rescinded or extended by subsequent order.

Specific Authority:	Article IV, Section 9, Florida Constitution
Law Implemented:	Article IV, Section 9, Florida Constitution and subsection 120.81(5), Florida Statutes

Given under my hand and seal of the Florida  
Fish and Wildlife Conservation Commission
