## PROUD or ARROGANT?

Some synonyms for **PROUD**: pleased, satisfied, gratified, delighted, and fulfilled.

Synonyms for **ARROGANT**: egotistical, big-headed, superior, and conceited.

This month at Littlest Angels our virtue of the month is **PROUD**. You might be thinking... "That's not a good quality to teach children." But, yes it is! We want all children to feel satisfied, delighted, fulfilled and **proud** of all their accomplishments.

From the time children are tiny infants, they look to others for reactions to their accomplishments. I can still remember all the firsts of our four children; first smile, the first step, patty cake, and waving bye-bye. They waited for our smiles, giggles and rounds of applause. And then they would do it again, and again and again! This is a child's first step toward developing a sense of pride, self-esteem and achievement.

They need to know that they have talents and special God-given gifts. It's important for them to realize at an early age that not everyone has the same strengths and skills. We do encourage them to do the best they can in everything, but by focusing specifically on a child's particular skills and talents they will be motivated to work harder on those activities. Kids need to learn to **proud** of themselves for what **they** do, don't do and for the decisions **they** make on their own. This is one of the best gifts we can give them, the gift of self-confidence and independence!

I have shared this story before but it is worth repeating. "A little boy had a baseball bat and ball. He said to himself, "I'm the best hitter in all the world!" He threw the ball up and swung but missed. Without wasting any time, he picked that ball up and said again, "I'm the best hitter in the whole world!" He threw the ball up and swung. Strike two. He picked the ball up again, even more determined this time, he said, "I am the best hitter in the whole world!" He threw his ball up and swung away. Strike 3. He simply laid down his bat, smiled real big and said: "What do you know, I am the best pitcher in the entire world!"

This little guy saw possibilities when others might have seen roadblocks! He had no problem with his "can-do" attitude. Children grow more confident in their abilities as they become aware of their many achievements, no matter how small. This month we hope you join us and find ways to inspire the little children in your lives to do the best they can, nurture their God-given talents, and know that the decisions they make on their own really do matter!

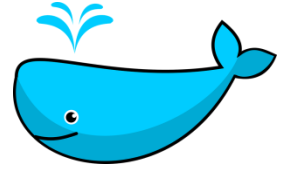

I didn't want to end my article without sharing this enlightening moment with you all. In chapel last week I asked the children, "Why did Jesus die on the cross for us?" One little guy raised his hand and said, with all the confidence in the world, "**BECAUSE WE WERE TRAPPED AND NOW WE ARE SET FREE!**" ...and once again Teacher Kathy was reminded that little guys are great teachers too...and thank you Jesus, we are free indeed!

## LITTLE BUNNIES NEWS

This month in the Bunny's Class we'll be going on an under the sea adventure! Our color of the month is **orange** to go along with gold fish from our Brown Bear story.

The end of the year is very near and we will be sad to see our Little Bunnies move to another classroom. They have been an amazing class this year. Hopefully, we'll see some of our friends at Summer Camp.

We have a very special event on May 11<sup>th</sup> and 12<sup>th</sup>. The children have been working very hard to prepare for this special day for their mommies. The children are really looking forward to Mother's Day Teas. Please RSVP on the sign-up sheet and let us know that you will be attending with your child. If you cannot attend it is fine to send a grandparent, nanny, or special friend to take your place.

Thank you very much for your special support this year in our classroom. The classroom donations, special snacks, and thoughtfulness to the teachers during the holidays and throughout the school year have been greatly appreciated!

## LIONS NEWS

"I'm glad I was your teacher; I've come to love you so. I can't believe the end is here. I hate to see you go! Remember all the fun we had in all the things we did. But most of all remember...you are one special kid!"

It seems like just yesterday when you were dropping the children off for the first time. This year has been an incredible year of growth and development in the Little Lions Class. Your children have brought such joy and happiness to our classroom! They have touched our lives in so many positive and rewarding ways.

Our theme for May will be all about having FUN, "A to Z – Come Play with Me!" Each day will bring a new letter to review with lots of exciting activities, as well as continuing to practice all the skills we've been working on all year!

From the bottom of our hearts, a big "Thank You" for all your support, warmth, love and prayers this year. We are truly blessed to have gotten to know you and your family.

Much love,  
Teacher Staci and Teacher Lori
