

Healthy-By-Default

January 31, 2018
11:30 am - 1:30 pm

United Way Fresno County
Community Board Room
4949 E. Kings Canyon Rd.
Fresno, CA

Join us for our 3rd *Make Life Sweeter for Kids with Fewer Sugary Drinks* workshop to learn more about a *Healthy-by-Default* initiative in Fresno where restaurants offer healthy beverages as the default beverage. The workshop will also focus on developing a plan for presenting this issue to broader stakeholders.

Children are targets of unhealthy food and beverage marketing, putting them at risk of diabetes and other chronic illnesses. We can make a difference together by working towards creating healthier policies.
