

## SEEKING YOUTH MINISTER

St James Parish, in beautiful Farmington, CT, seeks an energetic, inspiring, and dedicated person to share in part time ministry with our 6 -12 graders and their families as our Youth Minister! We are a parish with a growing number of families with children and desire a creative person to help shape our youngest members as they grow in their life with Christ. St.

James is a place poised to grow our sense of ministry with and in the wider world and desire a Youth Minister who will engage our young members, as part of that mission. For more information, see our website at <http://stjamesfarmington.ctdiocese.org/Youth-Minister-Sought/>. To apply, contact the Rev. George C. Roberts, 860-677-1564 or [rector.st.james@sbcglobal.net](mailto:rector.st.james@sbcglobal.net).
