2 PM - 3:15 PM

LIU Post, Pratt Recreation Center, Room 177

Presenter: Randy Young

A valuable opportunity for parents of young children with disabilities and professionals who serve them!

... how assistive technology (AT) can help children with disabilities participate in a wide array of activities

... explore the definition of AT and provide an overview of the role that AT can play in a child's Individualized Family Service Program (IFSP) or Individualized Educational Program (IEP)

... examine questions that should be considered in the assessment process & both low-tech and high-tech examples of AT tools will be demonstrated to show how they can help engage children in learning and developing independence

... several resources will be provided to assist participants in furthering their understanding of AT, including how they can pursue an AT assessment
