

**NATIONAL COUNCIL OF  
NONPROFITS**

National voice. State focus. Local impact.

## Resources for Faculty and Students

Faculty teaching courses about nonprofits often have their students subscribe (for free) to the two e-newsletters that the National Council of Nonprofits writes to keep the nonprofit community up-to-date with the latest information and resources. Some faculty use the materials to discuss “hot” topics during classes, while others simply want their students exposed to broader knowledge and resources.
