

Direct Job Search Support at WFC Milford

Job seeker Oscar Gomez visited the Workforce Central Career Center in Milford after being selected for the Reemployment Services Eligibility and Assessment program (RESEA) and attending the Career Center Seminar on July 1st. Oscar participated in the no-cost audio tutorial computer training for Microsoft Office program which enhanced his abilities in using these products for his new position. Tom Lambert, a job specialist, also met with Oscar one-on-one regarding his interviewing skills as well as his job searching activities.

Oscar felt having that direct support was extremely helpful for his job search. He found all the services and resources of the Career Center to be very useful in his job search including; computers, fax and copier which he utilized on a daily basis while job searching. As a result of his dedication to his job searching activities and utilizing Workforce Central's free services, Oscar was hired by Tek Systems at UMASS Memorial Medical Center as a System Administrator. Oscar was extremely pleased with the results of his employment and looks forward to working with UMASS Memorial Medical Center. Oscar couldn't thank the staff at the Milford Career Center for all their support and assistance during his job search enough!
