

## NJHSA 2018 Conference - Request for Proposals

**NJHSA 2018 Launch Conference | Unifying Our Human Service Voice**  
**Sheraton Grand Chicago | April 29- May 1, 2018**

### Conference Theme: Unifying Our Human Service Voice

This conference will focus on the role that NJHSA and its member agencies can play to strengthen each other as well as provide the highest level of service to constituents.

### Content Focus Areas

1. Innovation (Funding, Staff Development, Community Engagement [volunteers, donors])
2. Service Delivery / Best Practices
3. Successful Collaborations
4. Advocacy / Government Affairs

NJHSA is seeking workshop proposals that are innovative and bring new ideas to the Network in the field of Jewish Human Services. Proposals should be presented in new and different mediums with a plan for engaging participants through music, drama, Ted Talks, panel discussions and/or facilitated round table discussions. Formats that lend themselves to discussion will be given priority by the selection committee. Successful proposals will be interactive and elicit conversation, with concrete takeaways for attendees. Sessions should examine challenges and lessons learned.

### Presenters

Presenters may include professionals and lay leaders from member agencies, partner agencies and guest speakers. Presenters should be able to facilitate a discussion that is balanced between presenting ideas and solutions and encouraging input from workshop attendees.

**Submission of a proposal by a NJHSA member organization carries a commitment by the member organization's presenter(s) to register and attend the Conference if the proposal is selected.**

Proposals are due on Friday, December 15<sup>th</sup>.

We encourage you to share this information with your colleagues and other professionals. We look forward to receiving your proposals! You will be notified about the status of your submission in January.
