**Subject: Beyond the Rainbow:  
Trans and Non-Binary Sensitivity & Inclusion Training**

**Description:** Drawing from over 15 years of experience working directly with transgender communities and developing comprehensive and innovative programming to support transgender individuals along with personal experience as a trans social worker, educator and writer, Phoenix Schneider provides a transgender sensitivity training that empowers participants to embrace trans, non-binary and gender diverse communities and equips them with the tools to be able to support and provide affirming spaces for transgender and non-binary people of all ages.

**Objectives:** Participants will:

- Learn about the spectrum of terminology around gender identity and gender expression
- Learn about the unique issues impacting transgender and non-binary communities
- Learn techniques for identifying and navigating gender pronouns
- Increase knowledge around how to create trans-inclusive spaces
- Learn what resources are available to support trans and non-binary individuals

**DATE/TIME: Wednesday May 9<sup>th</sup> at 2 pm eastern time**

**Speaker: Phoenix Schneider, Director, LGBTQ Initiative, JFCS Philadelphia**

Phoenix Schneider, M.S.W., is a trans activist, educator and social worker who has worked in the nonprofit sector since 2000, specializing in program development and direct services with LGBTQ communities. Phoenix is a thought leader in the area of LGBTQ youth and mental health and has extensive experience developing local and national programming for LGBTQ communities. Under Phoenix's leadership with JFCS of Greater Philadelphia, the agency was awarded The Human Rights Campaign Foundation "Seal of Recognition" for Leadership in Supporting and Serving LGBTQ Youth and Families. Phoenix was also selected to participate in a global think tank of leaders working with LGBTQ Jewish communities around the world. As a former Program Director with The Trevor Project, Phoenix oversaw a safety net of suicide prevention programming for LGBTQ youth. Phoenix's lifelong mission is to help people seek their highest potential as well as to promote culture shifts towards full acceptance and inclusion of everyone.
