

### **Help our Community Referral Program**

**Your referrals mean the world to us!** We work hard to earn each referral with great service and appreciation for your business every day. As our way of saying thank you, we've continued the "Help Our Community" referral program. We love supporting the charitable efforts in our community, so we've tied referrals and charitable giving together. Here's how it works:

- **Each time we receive a referral from you, we will donate \$10 to a local charity.**
- **What qualifies as a referral?** A referral is when we get a call for a quote from someone saying you referred them to us.
- **We'll feature the charity and announce the amount that we donate each month in our e-newsletter and Facebook.**
- That's it. **The person you refer does not have to purchase a policy for your referral to count.** There are many worthy charitable organizations in our community. Help us help them!
- Our referral program is open to anyone, whether they are a current client or not.
