

# WE'RE MOVING!!

We are taking our biggest fundraiser to a new location and we need your help. Starting at the end of September our Bingo program will run out of Indian Acres Shopping Center at 731 S. Broadway, (US25). We would like to take a new approach to this fund raiser and we need your help. There are several opportunities to get involved. Please read the position opportunities on the back and turn in your request for teams/positions by Wednesday, August 17th. If you have any questions about the position expectations or anything else regarding these exciting times, please email or call the school office.
