Dear Parishioners of St. John and St. Francis and Students of St. John:

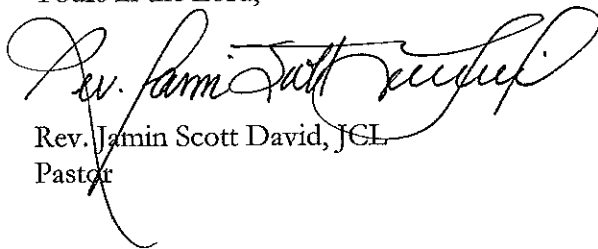

Greetings in the Lord! I hope that this letter finds you well as we all seek extraordinary conversion in ordinary ways during this *tempus per annum* – this ordinary time of the Church's liturgical year!

On behalf of the parishioners of St. Margaret and St. Thomas, I write you today to extend my thanks and gratitude for the recent contribution of backpacks, school supplies, and gift cards made to the St. Margaret Flood Relief Fund! As advertised on our website, social media, and at our Churches, funds and goods collected are all distributed directly to our parishioners who were affected by the flooding. Our clients either reside within the territorial geography of St. Margaret or are registered parishioners of our community of faith.

As you may have read or even experienced first-hand, some 70-90% of Livingston civil parish's habitable domiciles were affected by floodwaters. Your contribution surely helped to ease the burdens of families who were directly affected by this tragedy.

Know that the prayers of this community of faith also continue to be offered for you and your family in thanksgiving for your generous gift! Do come by and visit us sometime!

Yours in the Lord,

Rev. Jamin Scott David, JCL
Pastor
