NFFE-IAM 2018 Legislative Conference May 7th to 9th

February 12, 2018

The 2018 NFFE-IAM Legislative Conference will officially begin on May 7th and close in the evening on May 9th. The conference is hosted at the Hyatt Regency Washington, 400 New Jersey Ave, N.W., Washington, D.C., 20001.

In brief, the opening session will begin on Monday, May 7th at 1:30 p.m. with International President Robert Martinez providing the keynote address to members. On Tuesday and Wednesday, sessions are only held in the mornings to allow for lobbying time on Capitol Hill during the afternoons. Please schedule your lobby sessions for Tuesday and Wednesday afternoons, if possible.

The 2018 Legislative Conference will take place across the dates of May 7th-9th.

The conference will close at an IAM reception on Wednesday evening. NFFE will host its own reception Tuesday evening at a place and time to be decided. Please see the attached questionnaire and instructions to register for the conference.

2018 is an extremely important year for federal employees as we gear up for a heavy fight against cuts to pay and benefits for active and retired employees, and repel dangerous revisions to workforce laws and regulations that are anti-employee and anti-labor. Make your reservations now to join the fight and strengthen your relationships with your senators and representative!
