MAPS & APPS:

a fun-filled GIS Summer Program

A Geospatial Experience

What do Drones, Storymaps, Coding and GIS have in common?
Find out at GIS Bootcamp, a 4-day program for participants ages 11-17.

GIS is Geographic Information System

GIS Summer Program will be FUN... and here is why!

- Experience flying a drone

- Learn about coding using Story Map

- Collect data outdoors ~ There is an app for that!

- Map your ideas!

- Your story is unique, let Story Map tell it!

- Maps and Microenterprise

Every week in June and July,
beginning on Mondays
8:00 a.m.- 3:30 p.m.
$250 per student
Max 20 students per camp

Location near you ~ Sign up now!

After care available upon inquiry.

Interested educators are welcome!
