# CHUCK EALEY

## Undefeated Spirit Program

Kalahari Resort Convention Center

Join us for an inspirational talk with College and High School football's record holder for most consecutive wins at 62-0...the longest QB winning streak in amateur football history. Chuck Ealey's Undefeated Story is relevant not because of his athletic feats and undefeated record. Chuck's life story is relevant because it demonstrates to people of all ages the:

1. Power of education to overcome life's obstacles
2. Fundamentals of making daily choices in difficult and desperate situations
3. Need to accept personal accountability to overcome the odds
4. Importance of thinking differently in order to find opportunities
5. Ability to use individual gifts i.e. athletics, academics, theatrical, etc. as a vehicle to make a better life for ourselves and those around us

Surrounded by the racial tension of the 1950's and 60's and poor economic conditions in Portsmouth, OH Chuck Ealey focused on life's possibilities and looked beyond all of the negativity. This Undefeated Spirit was nurtured in Chuck by family, friends, teachers and coaches. Today Chuck Ealey defines the characteristics of an Undefeated Spirit in these simple terms:

- U- Undefeated
- N- No Negativity
- D- Determination/Desire
- E- Encouragement
- F- Faith/Focus/Fortitude
- E- Equality
- A- Attitude/Actions
- T- Tenacity
- E- Education
- D- Discipline
