

IMPORTANT UPDATE

Advertising & Marketing Properties Metro MLS Policy Change

Effective January 2018

In December 2017, Governor Scott Walker signed a change to

State Statute 452.136

Advertising without agency agreement prohibited. A firm and any licensees associated with the firm may not advertise a property unless one of the following applies:

- (a) The firm is the listing firm for the property.
- (b) The firm or a licensee associated with the firm has obtained consent to advertise the property from the listing firm of the property.

Q&A

So, what does this mean for brokers and agents?

This state statute impacts the marketing & advertising of properties. Basically, there **MUST** be an **ACTIVE** listing agreement in place **BEFORE** you start advertising or marketing the property **ANYWHERE**. **This is a good thing.**

It speaks to the spirit of cooperation among brokers & agents in the marketplace. Metro MLS supports this new change to state statute and updated our Policy Manual and Procedures to reflect the change.
