Making a Difference

The Brookland Foundation receives several calls per day to support the community (Richland, Lexington, Fairfield, Orangeburg, Colleton, Hampton, etc. Counties) by providing families and individuals with electric bill payment assistance, rental assistance, transportation needs, and hotel/emergency shelter assistance to name a few. With your support, we made a key difference by assisting a father with 3 small children with hotel bill assistance and a middle-age lady who was living in her car find shelter.

There are many others that still need our assistance. Please consider volunteering (1-2 hours per week makes a huge difference) or donating to the foundation to help us achieve our Mission.

Call Juanita Farmer (Development Director, (803) 744-7914) or Visit <http://www.BrooklandFoundation.org> for more details.
