Luther Ranheim

Gift Planner

luther.ranheim@mnpartners.org

651-325-4206

As a Gift Planner with The Saint Paul and Minnesota Community Foundations, Luther Ranheim partners with professional advisors as an essential philanthropic resource. He assists advisors and their clients in all aspects of philanthropic planning and helps individuals and families achieve their charitable giving goals. He also partners with nonprofit organizations, assisting them with planned giving and endowment opportunities.

Born and raised in Minneapolis, Luther brings his love of the Twin Cities to his professional experience in his role as gift planner. Luther combines his early career experience in banking, with former positions at Wells Fargo Private Client Services and Bremer Bank, with his more recent experience in nonprofit development at MacPhail Center for Music, Greater Twin Cities United Way, the Minnesota Orchestra and the Alzheimer's Association.

Luther is a proud graduate of Lawrence University and currently serves on several boards, including the Association of Fundraising Professionals and The Singers, Minnesota Choral Artists. He is also on the Leadership Advisory Council of the Greater Twin Cities Youth Symphonies.

Outside of work, Luther and his wife Michelle love to support the Twin Cities' wonderfully varied arts community, attending as many concerts and events as possible. With their dog Dagmar, a Soft Coated Wheaten Terrier, rounding out their family, they love cheering on Minnesota United and using their Big Green Egg to smoke and grill as much food as they can eat.
