Client Portfolio Manager

Nuveen Asset Management

Paul M. Blomgren

Paul is a client portfolio manager with the Taxable Fixed Income Group. In this role, he is integrated into the Portfolio Management Team, helping to develop and communicate information about the markets, process and performance to institutional, retail and defined contribution analysts and financial advisors.

Prior to joining Nuveen Asset Management in 2012, he was a director and fixed income strategist for the institutional fixed income sales division at Wells Fargo Securities. In this role, he developed investment ideas and delivered presentations to regional and national audiences. Previously, he worked as an institutional sales representative. Prior to that, Paul spent 12 years on the fixed income investment management side of the business at American Express Financial Advisors (now Columbia Management) and Piper Capital Management as a sector manager, analyst and trader.

Paul received a BA in economics from Carleton College. He also holds the Chartered Financial Analyst® designation and is a member of the CFA® Institute and the CFA Society of Minnesota.
