Mad Cap Characters

A Writing Workshop with AC Gaughen

Characters breathe life into a novel; they allow the reader to step into the fiction and experience the world with them.

Which of your characters would die first in a zombie apocalypse?

Where would your character vacation after saving the world?

These sound trivial, but knowing your characters will clarify your stakes, your setting, and your plot—all keys to unlocking a compelling story. This workshop will use a fast pace to help you unlock the things you already know about your characters AND help you brainstorm some new thoughts!

A. C. GAUGHEN is the author of the Scarlet Trilogy (*Scarlet*, *Lady Thief* and *Lion Heart*) and the Elementae, which will start with *REIGN THE EARTH* in January 2018. She serves on the board for the non-profit Boston GLOW, creating opportunities to encourage and engage teen girls in the Greater Boston area. She has a Masters in Creative Writing from St. Andrews University in Scotland and a Masters in Education from Harvard University.
