### **Aron Goes to the White House Science Fair:**

In this inspiring book the protagonist reflects upon the people who influenced his desire to study science in order to learn more and quench his curiosity about the world around him.

### **Aron Runs for Class President:**

After a life-changing experience to meet his idol, Barack Obama, at the White House, Aron feels inspired to run for office at his school to create history of his own

### **Believe in Yourself:**

Dedicated to young children and families affected by cancer, Believe In Yourself: A Mirror Of Hope aims to encourage children to be strong, confident and believe they can achieve anything they put their mind to.

### **Journey of the Cool Smart Kid:**

The Cool Smart Kid highlights Nahjee's early failures starting in high school, how he learned from his mistakes, found his purpose in life, and became the man he is today.

### **Where Did My Dream Go?**

One morning Jasmine wakes up to find that she cannot remember her dream. Determined to find it, she searches for clues throughout her school day and in the process discovers something unexpected and exciting about herself.
