

Friends of RHAM Soccer

Dear Family/Business Owner,

Another exciting season of RHAM boys and girls soccer is right around the corner. The boys and girls RHAM soccer programs have a rich tradition over the past thirty years, including one of the few programs to win state titles in the same season!

On **June 29, 2017** we will be holding our Third annual Friends of RHAM Soccer Golf Tournament Classic at Blackledge Country Club. Our first 2 years were both successful fundraisers for our soccer programs. Proceeds from this year's tournament and future tournaments will help support all levels of the RHAM boys and girls soccer programs.

One of the means of raising funds this year will be the electronic publishing of a RHAM Soccer Tournament Classic program guide, which will offer information about our program as well as present advertisements from local businesses that sponsor our teams. This guide will not be printed but emailed electronically to all of the participants in the tournament, sponsors, current soccer players and all our Soccer families in the community. The program will also be placed on the tournament website.

Choose the ad size or Sponsor Package that best fits your budget. **Please make checks payable to: Friends of RHAM Soccer.** All sponsors will receive an electronic copy of the program guide.

Please see the next page for a summary of all sponsorship opportunities.

You can register and donate online at www.RhamHSsoccer.com !! Any donation is welcome!

We are also looking for prize donations for the tournament raffle.

Thank You!
