JESPY House: Supporting Our Endowment Fund

Today's Plan for Tomorrow

As a nonprofit organization, JESPY House depends upon the generous support of caring families, community members, foundations, corporations, and others. Philanthropic donations allow JESPY to provide our clients with a wide range of programs and services which make a profound difference in their lives and promote independence.

JESPY is now approaching its 40th year as valued community resource for clients and their families, and with your continued support, expect to be here to help individuals with learning and developmental disabilities for many, many more decades to come.

Years ago, parents of a JESPY client had the foresight to establish the **JESPY House Endowment Fund** as a donation vehicle to support JESPY's future. Over time many individuals have contributed to it. With careful investment strategies, this fund has grown to over \$700,000. Our goal is for this fund to reach and then exceed \$1,000,000. At that point we will be able to use the interest from the fund as a source of revenue to help sustain JESPY House into the future.

Supporting **The JESPY House Endowment Fund** with your tax-deductible donation is a thoughtful way to make a gift today that can reap many benefits for JESPY clients in the years to come. We hope you will consider being part of this special group of endowment fund supporters.
