

We Want To Put You in Pictures!

Actually, we want to put your pictures on PMINYC's website, eBlasts, newsletter and more, to help personalize our communications and to give you better exposure in and around our Chapter. We just have a few guidelines to ensure we all present a professional appearance:

- Professional business attire
- No corporate logos or identity without waiver
- High-resolution, clear photos
- At work, conference, in teams
- Photo policy sign off (required)

Help us improve the brand for PMINYC and you! Send your photos to newsletter@pminyc.org.

Thank you!
