

Benefits Available Through BeneStream

BeneStream is a one-stop enrollment platform for businesses to utilize a full suite of government benefits through a single, integrated platform.

Our multi-lingual Enrollment Specialists are policy experts who help individuals and families connect with an array of benefits they may or may not know are available to them.

Medicaid

BeneStream enrolls qualifying employees onto free government health insurance, reducing employer healthcare costs and offering employees a more comprehensive health plan. Eligibility rates vary by state.

CHIP

For families who may earn too much to qualify for Medicaid, CHIP is a free government insurance option available for children. Eligibility rates vary by state.

SNAP (food stamps)

SNAP offers nutrition assistance to millions of eligible, low-income individuals and families and provides economic benefits to communities.

Lifeline Phones

This program ensures that anyone can get a cell phone and free or affordable cell phone service if found eligible.
