

Life's brighter under the sun

## DENTAL

It's easy to find the network with more local dentists  
**125,000+ Including yours.**

Our PPO dental network, the Sun Life Dental Network<sup>SM</sup>, is **the one of the nation's largest with over 125,000 unique dentists.**<sup>1</sup> That gives employees access to more in-network dentists, making it easier for them to help reduce out-of-pocket costs for covered procedures and treatments.

The right dentist is just as important as the size of our network. If we don't have the ones you need, we can offer our personalized, targeted recruiting effort with a strong emphasis on the dentists employees are already using.

We employ a staff of dedicated recruiters in most major metropolitan areas to help recruit providers into the network. Our Dental Network Optimization Program can develop a personalized recruiting plan to target areas of need.
