Dear St Stephen's Families and Friends:

Our parishioners have generously supported Camp Create, a unique and exceptional weeklong day camp hosted by St Stephen's, for nearly 20 years. Because of your faithful gifts of time and treasure, this year Camp Create is able to open its arms a bit wider to welcome 85 campers, 30 more than last year!

Each day campers will attend classes in art, song, dance and movement designed to encourage curiosity, creativity and community. In addition, our teen counselors learn classroom management, leadership, and cultural awareness.

Camp Create receives major grants from 2 foundations but is no longer eligible for funding from the Marin Deanery, a grant received for years. Sharing the wonder of our beautiful facility and the talents of extraordinary teachers to more children means the Camp again needs the financial support of our congregation.

Your donation, in whatever size, makes a difference in providing the funding to make this camp what it is.

$20	Buys art supplies for two campers
$50	Buys commemorative t-shirts for 5 campers
$100	Pays for safe transportation for 2 campers for a week
$250	Provides our signature oatmeal breakfast for 85 kids all week
$400	Pays a teen counselor a fair wage for their leadership role
$500	Changes the world in the small Camp Create budget
$1000 or more	Insures the legacy of the camp

Thank you for your generous support for this important outreach ministry. It is a blessing to all the donors, volunteers, parents and campers to be a part of it each year.

David Hirsch
