

As Americans, we often take for granted many of the blessings we have enjoyed all of our lives, such as having enough to eat and access to a free education. Around the world there are parents who worry whether they can provide just one meal today for their children, let alone pay for school too. Rise Against Hunger has solved both issues with the assistance of churches like APPC that help package nutritious dried meals, which are then distributed free to schools and orphanages across the globe. Because of the school feeding programs, all of the children in a family, including the girls, are being sent to school to be fed, both their bodies and their minds.

Our goal is to assemble 30,000 meals made of rice, dried veggies, soy, and vitamins. At just \$0.29 per meal, this comes to \$8700. It takes 40 people about 1.5 hours to package 10,000 meals. Surely the generosity of the folks Downriver can top that with more people and less time!

We invite you, your family, organization or business to rally around this mission to Rise Against Hunger by participating as individuals or as a TEAM. Register online, request a Team Fundraising Page, then invite your friends, family, neighbors, co-workers, organization members, or employees to register with you.

Teams will be eligible for sponsor level benefits! The Youth Team raising the highest amount will be acknowledged with a Pizza Party!!! So, REGISTER, and **join us on Sunday, February 25, 2018 for a time of fellowship and hands-on mission work that has the power to change lives!!**
