

Flat Andy

Flat Andy has his walking stick and is ready to head out on another summer of adventures with his St. Andrew's family. Here's what to do:

1. Carefully cut out Flat Andy.
2. When you travel this summer, be sure to pack Flat Andy. He hardly takes up any space at all!
3. Take a picture of your summer adventures with Flat Andy. (Reminder: Flat Andy *loves* to visit other churches for worship when you're out of town).
4. Email your picture with Flat Andy to St. Andrew's: flatandy@standrewsonline.net *Don't forget to tell us where you were.* You can also post him directly on our St. Andrew's Facebook page.
5. We'll print your picture and post it on our Flat Andy display in hallway.

These instructions are also printed on the back of Flat Andy's head for easy reference after you cut him out.

May you have a blessed, safe and joyous summer. We look forward to worshipping with you when you're in town and hope Flat Andy reminds you of the prayers and love of the St. Andrew's community that are with you when you're away.

2016 Summer Travels

Just a few of Flat Andy's many great adventures last year!

1. Carefully cut out Flat Andy.
2. When you travel this summer, be sure to pack Flat Andy. He hardly takes up any space at all!
3. Take a picture of your summer adventures with Flat Andy.
(Reminder: Flat Andy loves to visit other churches for worship when you're out of town).
4. Email your picture with Flat Andy to St. Andrew's:
flatandy@standrewsonline.net
Don't forget to tell us where you were. You can also post him directly on our St. Andrew's Facebook page.
5. We'll print your picture and post it on our Flat Andy display in hallway.

Flat Andy and the Lewis Family visited Lake Tahoe!
