

Pittsylvania County Animal Shelter

A place for animals to call “almost home” while they wait for a forever family.

Pittsylvania County leadership has made a significant commitment to build a new Animal Shelter where every adoptable, healthy, well-behaved pet in need of a loving home will be provided one. The new shelter will provide significant improvements for the care of unclaimed dogs, cats and livestock as well as a more visible and easier access for area citizens interested in adoption.

Now you can support **enhancements** and **expansions** to the new Animal Shelter, such as a livestock shelter, outdoor adoption visitation space, and an emergency vet fund, while also honoring the memory of a beloved pet, commemorating a special occasion or proclaiming your love and support of animals in need.

Support the new
