ASDO promotes the benefits of aviation by matching the needs of aviation industry buyers with the expertise of area businesses located in Bergen, Essex, Hudson and Union Counties. The Air Services Development Office was created by The Port Authority of NY&NJ and the Major Commercial Airlines to foster a positive economic environment for the aviation and business communities. We hope that your company will continue to support this vital link that has benefitted thousands of businesses in metro area airport communities. Please assist our efforts and list the airport companies you did business with in **2017**. Your information and E-mail address are held in strict confidence. We appreciate your time and any comments. Please call our office if you have any questions. Thanks for your time and consideration.
