# **TAX INCENTIVE SEMINAR**

## **Is Your Business Leaving Money on the Table Each Year?**

Many businesses located in cities like Elizabeth, Newark and Jersey City are not taking advantage of State and Federal Tax Credits that can put money back into the businesses. By hiring employees that meet any of several categories, a business owner can receive a cash credit of up to \$9,500 per employee. Some of the categories eligible are:

- Hiring a person age 18-39
- Hiring a dislocated worker or someone who has been out of work for at least six months.
- Hiring an ex-offender
- Hiring a person who lives in an Urban Enterprise Zone
