Please read this letter carefully and the terms of the attached application before returning the application.

The Greater Hyannis Chamber of Commerce (GHCC) is organizing its 23rd Annual Main Street Father's Day Car Show, co-sponsored by Horgan Insurance Agency, Plymouth and Brockton Street Railway Co, and John's Collision, on Sunday, June 18, 2017. The show is always a sell out with approximately 380 cars lining both sides of Main Street. Police have estimated crowds of 80,000, making this show one of the best-attended family auto events in New England!

Main Street Hyannis will be closed beginning at 6:00 a.m. with the show running from 8:30 a.m. to 2:30 p.m. Due to the overwhelming popularity to participate in this show, space limitations restrict entry to the first 380 vehicles registered. To qualify for entry, show cars must be 25 years or older (pre 1992). Early registration is strongly suggested to ensure your space. If you wish to display near a friend, you need to arrive together to secure adjacent spaces; Police will not allow us to reserve parking spaces on Main Street.

Dash plaques and goodie bags will be provided to all 380 show cars that register and pay their registration fee. Awards, including the coveted Participant's Choice Award, will be presented to 20 vehicles. Up to **20 special interest** cars from 1991-2017 will be able to register and participate in the show. A **current** photo must be provided with your application. If you provided a photo of the same vehicle last year, you **do not** need to provide another one. GHCC has the right to refuse any vehicle in our sole determination.

All pre-registered participants will receive their Vehicle IDs by June 2nd provided you return your application promptly. Please complete the attached application (print), sign the form and return it along with your non-refundable \$25.

Sorry - there is no rain date for the show.
