# Are you prepared to save a life?

Canada's premier first aid and CPR training, brought online.

When incidents and medical emergencies happen, seconds can mean the difference between life and death. First aid and CPR training can give you the confidence you need to respond in an emergency, to make safe decisions and protect those around you.

Over 100 years of history meets the latest in eLearning technology.

Now you can receive industry-leading first aid training online, from anywhere, at anytime. All you need is a computer, tablet or smart phone and an internet connection.

## Learn to save a life, and support your community.

St. John Ambulance is a registered not-for-profit and charitable organization. With thousands of volunteers across the country, we put the proceeds from online and in-person courses to training volunteers, engaging seniors and youth, and responding to critical emergencies.
