

There is nothing like these 70+ degree golden sunshine afternoons, but we are quickly closing in on the end of this warm weather so don't miss the last few opportunities to dine alfresco at one of our fine Downtown eateries. At the restaurant outdoor options include Ale House, Diamond Jim's, Four Reasons, Shaw's and The Well. You can also grab a to go order at any of the above or at Bob's Backyard BBQ, Downtown Express, Healthy Edge Nutrition, Main Street Bistro, Santinos or Square Seven and enjoy it in one of the Downtown parks or on a conveniently located street bench. If you are lucky, you might also catch an impromptu concert performed by a local musician on one of our street pianos. Catch that vibe...come Downtown!
