MEDINA COUNTY COURTHOUSE VIDEO

The State of Ohio has produced a very interesting video about the Medina County Courthouse as part of a project called Ohio County Courthouses: Seats of Justice. [Click here](#) to view the video.

MEDINA MAGAZINE

City residents should have received the 2018 Medina Magazine. We are pleased that Image Builders Marketing, Inc. have chosen to salute the City Bicentennial in this 2018 issue. If you didn't receive one by mail, they are available in City Hall.

MAIN STREET MEDINA ANNUAL MEETING AND AWARDS CELEBRATION

Main Street Medina is celebrating its 10th Anniversary. It will hold its Annual Meeting and Awards Celebration on Monday, January 29., from 5:30 to 8:00 pm, at Williams on the Lake. Main Street members and the public are invited. Cost is \$17pp. [Click here](#) to register.

BUSINESS NEWS

Ribbon Cutting Held for New Kidney Dialysis Center

A ribbon cutting was held in December for [Medina Square Davita Dialysis](#) at 740 North Court Street. The center will officially open in mid-January.

Kidney dialysis patients must go through treatment three times a week, so this totally renovated building will initially be open from 6:00am to 6:00pm on Monday, Wednesday and Friday. Once more patients are added, the facility will also be open Tuesday, Thursday, and Saturday. In addition to dialysis, patients receive coaching on diet and other health issues that can accompany renal failure.

Fire-Dex Promotes Steve Allison to President

Steve Allison, a 20-year veteran of fire service personal protective equipment (PPE) manufacturing, and sales, has been promoted to President of Fire-Dex. As successor to Bill Burke, Company Owner and CEO, Allison will take over operational responsibilities for the company worldwide. Allison joined the company in 2014,

Fire-Dex, headquartered in Medina, Ohio, is a leading manufacturer of head-to-toe protection for first responders, including turnout gear, rescue PPE, boots, hoods, gloves and helmets. Visit www.firedex.com for more information.

ROUTE-42 PROJECT UPDATE

- US 42, from just south of Harding Street to just south of Reagan Parkway, will have restricted lane widths at various times as work continues throughout the project
- Crews continue to place concrete for sidewalks and driveways from Reagan Parkway to the north end, along the east side of US 42
- Sewer work, from Reagan Parkway to the south end, will have daily lane closures as crews continue to work.
