### **"Quartz Surfaces: Attributes, Production, Benefits, and Design Applications"** AIA and IDCEC credit

This one-hour Health, Safety & Welfare (HSW) course will give you a solid understanding of the fundamentals of quartz surfacing with an overview of the supply chain. Specification best practices will be discussed regarding the many ways quartz can be used in commercial applications. You'll also learn how to ensure spectacular results through optimal design engineering. In addition, we'll examine how to choose the best surfaces for specific applications, as well as quality control considerations for manufacturing variables.
