A Letter from Our Pastor

Dear Parents and Guardians,

Welcome to Saint Angela Merici Catholic School. For over nine decades, we have answered the call of sharing the Good News of Jesus Christ as His disciples and evangelizers throughout the surrounding neighborhood and beyond.

One vital part of that evangelizing mission has been the blessing of our Catholic school. Throughout the parish history, the school has been an essential parish ministry. We have been able to educate thousands of young people, sending them out as Christ’s learned disciples, to share in the work of evangelization wherever they might have journeyed.

Most recently, the success of our school was recognized by the United States Department of Education in naming us a National Blue Ribbon School of Excellence for 2011. What an exciting honor! This distinction is shared by an elite group of schools in the nation. It underscores the dedication and commitment of our parish family, school families (parents and young people), our school administration, faculty, and staff. I am proud to be a part of such a tremendous community.

Thank you once again for choosing St. Angela Merici School and for giving the gift of a Catholic education to your children. Our goals of living our faith in Jesus Christ, nurturing the God-given abilities and talents of our young people, and preparing to live a life of witness and service remain steadfast. May God reward your sacrifice and your commitment. God bless these children who will soon take their place with those who have gone before us for these many years. St. Angela Merici, pray for us.

Soli Deo Gloria,

Father Michael J. Lanning, M.S.Ed.
Pastor
A Letter from Our Principal

Dear Families,

Welcome to a new school year! For more than 90 years, we here at St. Angela Merici Catholic School have been providing a solid Catholic education for the families of Fairview Park and the surrounding communities. We continue to reflect on what we have been able to accomplish as a people of faith and to identify the many ways we can share our faith with others. What began as four classrooms in the back of our church so many years ago, has blossomed into the St. Angela Merici School we know (and love) today.

As a National Blue Ribbon School of Excellence, St. Angela Merici Catholic School continues to build on the outstanding academic programs and extracurricular activities available to our students, allowing us the opportunity to partner with you in the faith development and academic development of each and every child.

With our Catholic faith to guide us, we are ready to meet the challenges and adventures that await us this year. We look forward to the many possibilities and opportunities that await us as we bring our mission “we are St. Angela Merici School, a Catholic community of faith, knowledge, and service, where we will be challenged to reach our full potential” to life this year. The teachers and I are excited and ready to help our children explore the wonders and miracles of learning! As we journey together through the upcoming year, I pray that God will guide and bless each of you as we use our gifts and talents to help our children open their unique gifts.

I look forward to working with all of you throughout the school year.

Peace and Blessings,

Mrs. Christine Bopp, M.Ed.
Principal

Saint Angela Merici School

Mission Statement
We are St. Angela Merici School, a Catholic community of faith, knowledge, and service, where we will be challenged to reach our full potential.

We Believe…
Students will grow in their Catholic faith and think critically to attain high academic standards in a safe and nurturing environment.

Teachers will educate the whole child by providing relevant faith formation and varied learning opportunities.

Parents will model lived Catholic values and support the mission of the school in partnership with teachers.

Curriculum will enhance Catholic beliefs and prepare students for a global future.

Accreditation
St. Angela Merici School received full accreditation from the Ohio Catholic Schools Accreditation Association (OCSAA) in May 2016. Our school meets or exceeds all OCSAA Standards and all State of Ohio Department of Education Standards. In addition, all educators at our school possess and maintain the appropriate certification or licensure required by the Ohio Department of Education and all Catechetical Certification requirements required for teaching religion as set forth by the Diocese of Cleveland and the OCSAA.

OCSAA School Improvement Plan (2016 - 2022)
St. Angela Merici School's School Improvement Plan goals are as follows:

1. Catholic Identity Goal:
   Students will increase their understanding and application of empathy and compassion through a study of select Catholic teachings which focus on mercy.

2. Student Performance Goal:
   Students will increase data analysis and interpretation skills across the curriculum.
Admissions Policy
St. Angela Merici School is a Catholic elementary school created to provide an excellent Catholic education for the children of St. Angela Merici parishioners. No child is refused admission because of race, creed, or national origin.

Re-registration
Students who are currently enrolled in the school are automatically accepted for the following school year for grades 1 – 8 unless removed for cause or for the family's failure to meet tuition responsibilities. Re-registration for current students for the upcoming school year is conducted in early spring. Tuition Agreements are sent to parents through our Family Mail Service in the Spring and a student is considered re-registered once the Tuition Agreement is signed, returned and the registration fee is paid.

Preferred Kindergarten Registration (New Students of Current Families)
In January, current St. Angela Merici families (both school and preschool) will be given an opportunity to register new kindergarten students from their family during Preferred Registration before Open Registration begins for new families. Preferred Registration forms are sent home via Family Mail to current families. For Kindergarten students, children must be five years of age by September 30th. There is a $40.00 Kindergarten fee due at the time of Kindergarten registration.

Open Admissions (New Families)
Open Admission for new families to St. Angela Merici School begins at Open House during Catholic Schools Week. Since there are a limited number of spaces available at each grade level, the following guidelines and criteria are followed regarding admittance of new students to the school.

1. Preference is given to registered parishioners of St. Angela Merici Parish with children already in attendance in the school.
2. Next, preference is given to registered parishioners of St. Angela Merici Parish with children already in attendance in the preschool.
3. Then, preference is given to families who are active parishioners and are financially supportive of the parish.
4. Finally, non-parishioners and non-Catholics may be admitted with the approval of the pastor.

All necessary forms, copies (i.e. admissions application, the child’s birth certificate, baptism certificate, immunization records, and court custody documents, if applicable) and the $40 kindergarten fee must be submitted in order to be considered for admission.

Students in grades 1 – 8 may apply for transfer admission into St. Angela Merici School and may be admitted conditionally only after all academic, religious instruction, behavior/discipline, standardized testing, special services including evaluations and health records are received and reviewed by the school administration. All transfer students are admitted conditionally for the duration of the first school year and must transfer from a fully accredited school.

The final decision regarding admittance and re-admittance into St. Angela Merici Parish School is made by the Pastor in collaboration with the Principal.
Withdraw Policy

The school office must be informed when a student withdraws from St. Angela Merici School. The Permission to Release Records form with parental signature must be received in the school and all financial obligations must be paid in full before the school office releases student records (including student records to high schools).

Tuition

St. Angela School Tuition Policy

1. The tuition rates for the upcoming school year will be announced by early spring.
2. Parents and guardians will be notified of tuition rates by Family Mail.
3. In order to receive Report Cards and/or maintain Gradelink progress report access, all financial obligations must be current.
4. Families requesting financial assistance must complete the PSAS Financial Aid form by the deadline.
5. Any special arrangements to meet financial obligations must be made through the business office.

St. Angela Merici Parish community is committed to providing a Catholic education to those families who desire a Catholic education. Faith Formation Programs

The primary purpose of St. Angela Merici School is to provide an atmosphere in which our students can grow in their Roman Catholic faith and in which students can learn and grow in an environment infused with lived Gospel values and Catholic social principles. Since the primary faith educators of children are the children’s parents, St. Angela Merici School acts as an extension of the Catholic home in supporting the parents’ instruction of Catholic values and love for the Eucharist.

Religious Education

Catholic ideas and Gospel values permeate instruction throughout the school day and are not limited to the students’ religion class. Our students receive religious instruction for a daily minimum of 30 minutes in grades K through 4 and a daily minimum of 40 minutes in grades 5 – 8. In addition, our pastor and associate pastor visit classrooms regularly to enrich religious instruction. Religion instruction, including a Catholic understanding of human sexuality, follows the Diocese of Cleveland’s Religion Curriculum.

Liturgal Celebrations

St. Angela Merici School provides liturgical and other worship opportunities for the school community. Liturgical, sacramental, and prayer opportunities include All School Masses, Class Masses, Reconciliation, Eucharistic Devotions, Stations of the Cross, May Crowning, and seasonal prayer services. The published school calendar will list the liturgical events for the month. In addition, our students are active in the preparation and planning of School Masses. They serve as lectors, ushers, and present the gifts. Parents and families are most welcome to join us in these celebrations.

Student Service Opportunities

Our school provides students of all grade levels with Catholic service opportunities through the school year. Through these opportunities, students are given an opportunity to live the message of Catholic social justice and compassion through various service programs.

Sacramental Preparation

The religion program offers the opportunity to prepare for the sacraments of First Reconciliation and First Eucharist in the second grade and Confirmation in the eighth grade.

Faith Families

Our Faith Families Program gathers students in grades K – 8 with students of different grade levels. Our goal for this program is to foster and create a sense of community through developing multi-age friendships. In addition to praying for one another and gathering once a month, Faith Families come together in activities such as Prayer Services, Class Mass and planning, service activities, and community-building activities.
Peer Mediation

Our school offers Peer Mediation as a means to assist students to solve conflicts peacefully. During Peer Mediation, a trained student mediator, along with a faculty moderator, walks the disputants through the steps of peace in order to help the students solve their own problem. Once the students determine a solution, the mediator and moderator help the disputants write a contract for their solution. Please note that The Peer Mediation process is limited to students resolving problems with other students, and this program does not replace disciplinary consequences for student behavior choices.

Retreats

Our faith formation experiences extend outside of the classroom walls. St. Angela Merici eighth grade students experience an off-site leadership retreat during the school year in the fall. Our second graders, in preparation for their First Eucharist, join our PSR students in our Jesus Day retreat. The eighth graders, along with our PSR students, participate in our Spirit Day Retreat. Our sixth graders travel off-site to Camp Christopher for leadership building experiences. Also, all students participate in a Holy Thursday Retreat at the end of Lent in celebration of the Institution of the Eucharist.

Liturical Ministries for Students

We encourage our students to serve Christ and live their devotion to the Eucharist as an Altar Server (grades 6 – 8) and in the Children’s Choir (grades 1 – 8). Watch the church bulletin and Family Mail for details on these special ministries.

Parish Faith Formation Programs

In addition to school faith formation programs, students and their families have many faith formation opportunities through St. Angela Merici Parish. A few of the opportunities offered include:

- **Family Mass** is a PSR and Day School partnership in which the families of a specified grade level come together to plan and participate in a Sunday Mass. Family Masses are scheduled once a month during the school year at the 11:30 am Mass.
- **Vacation Bible School** is offered for both Day School and PSR students in K – 6 typically during late summer. Older students are encouraged to volunteer to help with the activities.
Academic Programs
St. Angela Merici School follows the Curriculum of the Diocese of Cleveland that meets State of Ohio Standards and OCSAA Standards. Textbooks and other learning resources are selected in order to meet the needs of our students and the curriculum requirements.

Core Academic Curriculum
Students at St. Angela Merici School participate in learning experiences in the following core academic subjects:
● Religion/Theology
● Language Arts, which includes reading, spelling/vocabulary, phonics (K – 3), English and handwriting
● Mathematics
● Science and Health
● Social Studies

Special Subjects Curriculum
Our students, also, receive regular instruction in the following special subjects as part of our academic program and curriculum:
● Physical Education
● Music
● Visual Art
● Technology
● Library/Print Media Literacy

World Language Enrichment Programs
In order to enrich our students’ educational experience, St. Angela offers the following world language opportunities:
● Spanish (K – 8)
● Latin (5 – 8 elective)

Library/Media Center
Students have a regularly scheduled library period and are free to check out books. A fine is issued for each overdue book. Charges for lost or severely damaged books equal replacement costs.

Literacy Enrichment Programs
Reading skills and the enjoyment of reading is critical for development of a lifelong learner. To promote literacy skills and enjoyment, St. Angela students participate in several programs to engage the developing reader.
● **Accelerated Reader** ~ This independent reading incentive program is designed to encourage independent and recreational reading for all students. The Internet-based program tracks a student's reading progress over the course of the school year. Parents and students have access to the student's record using the Internet.
● **Readers Theater** ~ Students in grades K – 3 participate during the school day in our new Reader’s Theater Program. Reader’s Theater, an oral performance of a script based on authentic literature, is a best-practice strategy to develop reading fluency. The ability to read fluently – that is to read with accuracy, speed and proper expression – can assist in the development of a student's reading comprehension. In Reader’s Theater, meaning is conveyed through expression and intonation—students need to interpret the script instead of memorizing it, thus helping with comprehension as well as fluency. Repeated readings, or rehearsals, helps students build fluency
in a natural and authentic manner. Reader’s Theater can assist an elementary student’s development of reading in a creative and genuine way.

- **Book Buddies** ~ Our emerging first grade readers partner with our preschoolers during the second semester. This partnership allows our first graders to build confidence in reading while providing positive peer modeling of reading to the preschoolers.
- **Summer Reading** ~ Our Summer Reading Program provides students the opportunity to practice reading skills over the summer. Students are assigned a book list for their grade level to assist in the selection of age appropriate books.

St. Angela Merici uses the web-based version of Accelerated Reader. Benefits of the web-based version of Accelerated Reader (AR) include:

- Access to all AR tests available rather than a limited number of individually purchased tests.
- Online listing of all available books can be viewed at home or at the library through Internet access.
- Online parental access to your child’s AR account in order to monitor your child’s progress (what tests were taken and test scores).
- Students will be able to take AR tests in their classroom in addition to the technology lab and library.

**21st Century Learning: Technology Resources**

In today’s digital age, students must possess technological literacy to be prepared for the future. St. Angela Merici School has a wide-range of state-of-the-art technological resources to enhance teaching and student learning. Our technology program includes:

- **iPads** have been acquired as part of a pilot program to integrate the use of the new tablet technology in the development of core literacy skills in grades kindergarten through grade 2.
- **Chromebooks (Grades 6 and 7)**
- **Mac Laptop Cart** can be used either in the Laptop Technology Lab or in the classrooms.
- **Mac Technology Lab** with over 30 desktop iMacs for use during technology class and Accelerated Reader. In addition, teachers may sign-out the technology class for their students to do research or other learning activities.
- **ActivBoards** (interactive whiteboard) are in each classroom.
- **TIInspire graphing calculators** are used in our middle school pre-algebra and algebra coursework.
- **Broadcast Studio** allows our student production team to broadcast both audio and video for morning announcements.
- **Online interactive textbooks** are available for our students use at home.
- **Web-based Accelerated Reader** is available for parents and students to monitor and track their progress in our literacy program.
- **Various software programs** are available for use on all computers which includes Microsoft Office, iMovie, iWeb, iTunes, iPhoto, Kidspiration and other learning software packages.

In addition, we provide parents and students with Gradelink for online grades and assignments.
Homework Policies

Homework is assigned by teachers at every grade level in order to enhance, to provide practice or to extend classroom learning. Homework can be assigned nightly and may be assigned over the weekend or during vacation periods. The length of homework assignments depends on several factors such as the initiative of the student, the ability of the student, the type of assignment given, and the environment in which homework is completed.

In addition, homework assists students in developing a sense of responsibility, dependability, and time management skills. Students are responsible for recording their homework assignments in their assignment notebooks, bringing all necessary materials home, and completing homework assignments on time and to the best of their ability. Although completion of homework is the student’s responsibility, parents should provide an environment at home that encourages responsible completion of assignments and to review or check assignments as needed. Providing a definite time and a quiet place for homework completion assists students in developing good study habits.

Individual teacher and/or grade level expectations and policies regarding homework completion, and incomplete or missed assignments will be communicated to students and parents at the beginning of the school year. Please note that extracurricular activities are not accepted as an excuse for incomplete or missed assignments. Each teacher's consequences for incomplete or late homework will be communicated in their homework policies and may include, but are not limited to: reduction of assignment grade, parent notification, a Responsibility Detention, loss of free time or minor privileges, and/or a parent-student-teacher conference to develop a plan to improve student accountability and to promote academic progress.
Assessment of Academic Performance
Report of Student Progress

In order to provide parents with feedback on their child’s achievements, St. Angela Merici School provides parents with:
● Internet-based Gradelink grade progress reports with regular updates
● Report cards that are sent home quarterly in grades K – 8

Grading Scale (Grades 3 – 8)

Honor Roll Policy for Middle School (Grades 4 – 5)
*See Middle School Handbook Addendum for grades 6-8 requirements.

Students in grades 4-5 have the opportunity to be recognized for academic excellence through our Honor Roll Program. Students in Grades 4-5 must achieve the following to be eligible for Academic Honors:

First Honors ......................... A to A+ combined average (3.70 to 4.30 GPA)
Second Honors ...................... B+ to A- combined average (3.30 to 3.69 GPA)

To be eligible for First or Second Honors, only Outstanding and Satisfactory are acceptable in effort, and conduct. A student receiving academic honors may not have a C or a Needs Improvement (NI) or Unsatisfactory (U) mark. Conduct and Effort must be an O, S+, S or S- to be recognized on Honor Roll.
Honor Roll Determination ~ Computation of Combined Academic GPA

The combined academic grade point average (GPA) is computed from the seven core academic subjects: Theology, Reading, English, Spelling and Vocabulary, Mathematics, Social Studies and Science.

The points assigned to each grade are as follows:

A+ = 4.3  
A   = 4.0  
A-  = 3.7  
B+ = 3.3  
B   = 3.0  
B-  = 2.7  

Please note that point values for a grade lower than a B- are not computed because a C grade or lower excludes a student from Honor Roll.

Honor Roll Exclusions: In addition to earning the required grade point average, students must earn an O, S+, S or S- in the following subjects: Health, Physical Education, Music, Visual Arts, Technology, and Spanish.

Standards-Based Reporting (Kindergarten and Grade 2)

St. Angela Merici uses standard-based reporting to report student progress in relation to the Diocese’s standards for kindergarten and grade 1. Standards describe what a student should know and be able to do at each grade level in all subjects, and this type of student progress reporting is designed to give parents more detailed information about how their children are progressing in comparison to the standards.

The rubric for standards based reporting is:

● **Exceeds Standard (4) ~** The student’s performance exceeds current grade level by one full academic year.
● **Meets Standard (3) ~** The student’s performance meets current grade level standard that shows independent understanding and use of grade-level concepts.
● **Approaching Standard (2) ~** The student’s performance occasionally meets the standard that shows incomplete or inconsistent understanding and use of grade level concepts.
● **Minimal Progress Towards Standard (1) ~** The student’s performance demonstrates minimal understanding of and use of grade-level standards. This rating indicates that the student needs additional support or intervention on the standard(s).

Standardized Testing

St. Angela Merici School administers four standardized tests annually:

● **Cognitive Abilities Test (CogAT)** is a norm-referenced test which measures a student’s general reasoning abilities and is given to students in grade 1 in the fall and grades 3, 5, and 7 in the spring.
● **Iowa Test of Basic Skills (ITBS)** is a norm-referenced test that assesses students’ achievement in areas such as reading, language, mathematics, social studies, science, and sources of information and is given to K – 8 students in the spring.
● **Ohio Off-Year Writing Proficiency Test** is a criterion referenced test that assesses students’ capabilities to write effectively and fluently at grade level standards and is given to students in grades 3, 5 and 7 in the spring.
● **NCEA ACRE** is a proficiency test that evaluates students’ faith knowledge and the affective domains of beliefs, attitudes, practices, and perceptions and is given to students in grades 5 and 8 in the winter.
Services for Exceptional Students

Each child is created in the image of God and has been blessed with many gifts and talents in his or her own unique way. One of our roles as Catholic educators is to meet the unique learning needs of each child in order to achieve their academic potential. With the uniqueness of each child in mind, St. Angela Merici Parish School provides specific services for our exceptional students.

Intervention Assistance Team
Our Intervention Assistance Team (IAT) uses Response to Intervention (RtI) in order to assist teachers in meeting the educational needs of students who classroom performance indicates a potential need for additional assistance or intervention.

Gifted Program
St. Angela Merici School provides a Gifted Program, Project Challenge, for our students with exceptional academic gifts. Gifted children learn differently because they have the ability to absorb abstract concepts, organize them more effectively and apply them more appropriately. Project Challenge is for students who have demonstrated superior cognitive ability (full scale IQ of 128 or higher on the most recent CogAt). Students in our gifted program will have an annual Gifted Written Education Plan (WEP) outlining the gifted services provided for the student.

Special Education Program
Our special education program provides mild special education services for those students who have been identified with a disability by the public school district and may receive services under a Service Plan. The determination of disability identification is the role of the public school district, not of St. Angela Merici School.

Title I Reading and Other Auxiliary Services
Students who have been identified by the Intervention Assistance Team in need of intervention or other services, or who have an active Supplemental Educational Goals and Objectives (SEGO) Plan and if the staffing resources are available, may receive services, with parent permission and principal approval, through the Auxiliary Services Unit. Depending on availability, students may receive services such as: Speech and Language, Intervention (math or reading), psychological (guidance or testing), or Title I Reading.

Since St. Angela Merici School’s Auxiliary Services are staffed by Fairview Park City Schools and PSI and are funded by the State of Ohio Auxiliary Services Funding and Federal Title VIB Funding, the availability of auxiliary services is determined by the availability of state and federal funding and the staffing assignments made by Fairview City Schools and PSI.
Regular communication between the home and school is the foundation of a supportive and cooperative partnership because this relationship is important for a child’s positive school experience. St. Angela Merici Parish School is committed to partnering with parents, to cultivate communication and understanding for the growth and development of each student.

In order to foster collaboration between staff and parents, St. Angela Merici faculty and staff are available to consult with parents through phone conferences, face-to-face conferences, email communication, and written communication such as notes, and regular posting of assignments on Gradelink. You should normally expect a response within 1-2 school/business days.

Please keep in mind that the focus during the school day is on the students so teacher availability, by appointment, is limited to ½ hour before school, ½ hour after school, during planning periods, and at evening conferences as scheduled in the official school calendar. The school office personnel are available during normal school office hours.

Appointments with School Personnel
In order to foster collaboration between home and school, communication between school and parents is essential. In order to cultivate communication and understanding, A list of recommendations follows:

- When in doubt about policies, procedures, or regulations, contact the school office. The school office staff will either answer your question or direct your question to the most appropriate member of our staff.
- When you have questions regarding classroom procedures, policies, regulations, or your child’s academic progress, contact the classroom teacher by either: (1) a written note to the classroom teacher, (2) an email to the classroom teacher, or (3) a phone call to the school office who will give the classroom teacher the message to contact you.
- If you have a question regarding a disciplinary action, contact the issuing teacher via written note, email, or phone message. If you have already contacted the issuing teacher and your questions or concerns have not been addressed or answered, contact the principal via email, note or phone.
- If you need to meet with a teacher, please contact the teacher in order to schedule an appointment for a conference.

Gradelink
Gradelink is an on-line communication tool allowing parents access to the school’s Gradelink site, class information and their student’s academic progress. Parents will receive login information at the beginning of the school year. Information regarding a username or password data may be obtained from the school office by phone (ext. 143) or by email (school@samparish.org).

School Messenger and EBlast
The school utilizes weekly EBlasts to communicate with parents. The school utilizes School Messenger to phone, text and email parents in cases of emergency and matters that require immediate attention. It is the responsibility of the parent to update the school office with current contact information.

Family Mail Service
Family Mail is a means for the school to convey any information that pertains to the school community. Each family receives a Family Mail Envelope at Welcome Back Day. This envelope is
sent home the 2nd Friday each month via the youngest child and must be returned to school on Monday. The members of our Parent Teacher Connection assist in the process of Family Mail. Any items which are to be distributed through the Family Mail Service must be in the school office by 12:00 noon on Monday for approval from the principal. Only items that pertain to the entire school population will be distributed through the Family Mail Service.

Curriculum Night
St. Angela Merici School sponsors a Curriculum Night during an evening in September. This event provides parents the opportunity to hear about the upcoming school year, new curriculum updates and how our school is meeting our goals and objectives. In addition, parents will be able to visit each child’s classroom, to meet their child’s teacher and to hear about the programs and policies for each classroom.

Parent Teacher Connection
The PTC is a volunteer organization open to all teachers and parents/guardians of St. Angela Merici students interested and willing to get involved. If you are interested and have a desire to help and serve our school, simply attend a board meeting and volunteer. PTC Meetings are open to all parents and are announced on the school’s Gradelink calendar and in the weekly letter sent home to parents. The PTC will strive to enrich the experience of students by fostering communication, seeking resources (such as funds, materials, and services) and providing activities that help support the religious, social, emotional, and academic development of our students. The resources will be directed toward spiritually and educationally focused goals that further the interest of students, staff, parents, and community in alignment with the St. Angela Merici Parish School Mission.

PTC Objectives:
● To promote communication among parents, teachers, and administration.
● To provide parents and teachers with all the information to aid in aspects of education and the students’ growth and development.
● To promote goodwill and cooperation between and among parents, faculty, staff, administration, parish council, and the parish.
● To direct and coordinate parental support to the school through assistance activities, social functions, and fundraisers.

The PTC is a high-energy and hard working group that:
● Sponsors events such as the Halloween Party, Father Daughter Dance, Parent Masses, Bowling Night and Skate Night.
● Assists with the distribution of the Family Mail and the Homeroom Parent program.
● Assists in the recycling of old uniforms, and organizes meals for school families in need.
● Funds school projects and purchases such as in-house “Beyond the Classroom” educational experiences.

PTC fund-raisers include the November Bookfair, the Candy Cane Shop and Cornhole Tournament. Continuous fund-raising efforts include: Campbell’s labels program, Giant Eagle program, Tyson program, Box Tops, and SpiritWear.

The PTC is always seeking volunteers. If you would like to offer your time and talents to help and serve our school, please contact the current PTC President at ptc@samparish.org or refer to the PTC Officer listing on Gradelink.

**Change of Transportation**

For the safety of our students, a parent must submit to the school office a written note, email or phone call to notify the school office by Noon to change a student’s end of day mode of transportation. Changes to end of day transportation after Noon should only be for emergencies and made by both a phone call to the school office and a written authorization. **Without written notification, the student will be sent home via the conveyance on file.** If your student attends Extended Care, a parent must follow the policies of Extended Care. Please note that our school staff cannot make changes to bus transportation assignments either permanent or temporary.

In order to effectively and efficiently attend to end of the day student needs and business, **the office staff may be unable to answer the phones from 2-2:20 pm.** So please plan accordingly, following handbook policies, should you need to contact the office during the school day.

**Bus Transportation**

Bus transportation to and from St. Angela Merici School may be provided by the student’s home local school district depending upon their district transportation policy. Students are assigned specific buses by the local school district and **may not be changed without the permission of their local school district’s transportation department.** Bus regulations are set by the local school districts. If you have any questions regarding the local district’s bus regulations, please contact the district’s transportation department.

In the event of a bus rule violation, a bus driver may submit a Bus Report to the principal who will require that a parent sign the Bus Report and return it to the principal by the following school day. In addition to the Bus Report, consequence for a bus report may include, but are not limited to, any disciplinary actions listed in the St. Angela Merici School’s Code of Conduct, or loss of bus privileges.
Attendance Policies

Students are expected to attend school every day and to arrive on time. Good attendance and prompt arrival foster a successful educational experience. Regular attendance is compulsory according to Ohio State Law (ORC 3321.01 and 3321.03). Parents and students accept full responsibility for regular and timely attendance.

Procedures for Reporting Absences

All absences from school must be reported by 8 am on the date of absence. In the event that a parent or guardian has not notified the school office on the day of absence by 9 am, school personnel will contact parents first. If the parents cannot be contacted by 9:15 am, the school administration is required to contact the police in order to report the child as missing.

In the event of a student absence, a parent or guardian must call the school office (440-333-2126 ext. 145) by no later than 8 am on the day of absence. Please note that emails cannot be accepted to report a student absence.

When reporting a student absent, please include the following information:
1. Date of absence
2. The student’s full name, grade and homeroom
3. Your name and your relationship to the child
4. The reason for absence (if the reason is due to illness, please state the illness or symptoms)

Excused Absences - In accordance with Ohio Revised Code, student absences from school may only be excused for the following reasons:
1. The existence of an emergency condition at home such as absence, illness or death of the parent or guardian of the child,
2. Illness of the child (with a the written statement of a physician/mental health professional),
3. Illness in the family necessitating the presence of the child,
4. Quarantine of the home,
5. Death of a relative, and
6. A medical or dental appointment (with a written statement of a physician/mental health professional).

Under Ohio law, all other reasons for absences are considered unexcused, even if the absence is reported to the school.

Partial Day Absence (appointments and funerals)

It is requested that appointments for doctor, dentist, etc. be scheduled after school hours. Please refer to the calendar for testing dates. Please note that a student is recorded absent a half day from school if he or she is absent from school for 2 ½ hours or more during a school day.

If a student is scheduled to leave early due to a partial day absence:
1. The request must be in writing prior to the absence.
2. The parent or the responsible adult designated by the parent must come to the school office and sign out the student.
3. If an authorized adult other than the child’s parent/guardian will be signing out and picking up a student, the school office will verify the identity of the person with an Ohio Drivers License or Ohio Photo Identification Card.

4. Under no circumstances will a student be released from school unless a note stating the reason and time of departure has preceded the request. For attendance at funerals or wakes, parents must send a note and sign student out. No student is permitted to attend a funeral without an adult.

**Irregular Attendance and Chronic or Habitual Absences**

Chronic and habitual absences and/or tardiness are contrary to the mission of our school. Chronic absenteeism or tardiness is defined as: seven or more school days a month, or fifteen or more school days in a school year. Habitual absences or tardies are defined as five or more consecutive school days, or seven or more school days a month, or twelve or more school days in a school year. Chronic and habitual absences will be investigated by school administration and will be reported to the appropriate legal authorities if warranted. **The school administration may require a physician’s written excuse after a pattern of repeated absences (10 absences per academic year).** The principal reserves the right to determine if chronic or habitual absences and/or tardies indicate the need to retain the student or refuse admittance to St. Angela Merici School for the following school year.

**Make Up Work**

Since any absence (excused or unexcused) interferes with the academic progress of the student, all absences are strongly discouraged. However, we do understand that absences are sometimes necessary.

**In the event of an extended absence, an Extended Absence Request (E.A.R.) form must be submitted to the principal two weeks prior to an anticipated absence of three days or more.** Since assignments flow from classroom learning and instruction, assignments cannot be given prior to the student’s absence.

**After the second consecutive day of a student’s absence,** the parent may request make-up work to be sent home with a sibling, neighborhood child, or be picked up by an adult between 2:30 and 3:00pm. Requests for make-up work will not be honored until the second day of the student's absence (K-5).

**Gr. 6 – 8:** Please refer to middle school handbook addendum.

Upon return from an absence, the teachers will give the student the assignments to be completed with the due date required. All class work from any absence must be made up by students. Students shall have the same number of days to complete work, homework, and tests, as the number of days missed (i.e. if a student misses three days, he/she shall have three days to make up the work).

Please bear in mind that, although assignments must be completed and teachers are willing to give assistance as needed, the daily classroom interaction between students and teachers cannot be duplicated. Students, with the assistance of their parents, are responsible for completing work missed during any absence from school.

If absences add up to a significant number of days affecting academic progress, a student may be required to attend additional class sessions to make up missed work and/or a report card may not be issued.
Tardy Policy
Punctuality is an important aspect of responsibility since tardiness interferes with the student’s progress in school. Parents are expected to cultivate the habit of punctuality in their children. **Students must be seated in their homerooms by 7:50 am otherwise they are recorded as being tardy.** Please note that students who are late due to bus transportation are not marked tardy. Tardy students must enter the school building via the Lorain Road west doors. **Students who arrive after 8 am must be signed in at the school office by a parent or guardian.**

Student Safety Procedures
At St. Angela Merici School, we respect the precious gift of life and protect the safety of our students throughout the school day. We prioritize the safety of our students. Our school personnel submit BCII fingerprint checks, complete the diocesan Virtus training (child abuse awareness training), and continue to read training bulletins. Our staff supervises during both arrival and dismissal of students. While the students are in attendance, the entry doors are locked, and visitors to the building can access the building only through our security system.

It is the responsibility of the entire school community to ensure the safety of all students. In order to assist us in ensuring student safety, it is important to respect and follow the following policies.
- All visitors and volunteers must follow the Visitor Policy and School Appointment Policy during school operations hours.
- All school volunteers who volunteer in the school must be in compliance with the VIRTUS guidelines set forth by the Diocese of Cleveland which includes VIRTUS training and a criminal background check.
- Parents should have periodic talks about the hazards of talking to strangers and other safety issues in an age appropriate manner with their children.
- When exiting the school building, exit through the left-side of the double doors.

School Visitors
For the safety of students, faculty and staff, all visitors and volunteers (including parents and former St. Angela Merici School students) who are on the school grounds for any reason must report to the school office during hours of school operation. The procedures for all school visitors and volunteers are as follows:
- All visitors must enter the school grounds through the west door during school operation hours.
- All visitors must sign-in at the office and must visibly wear a Visitor’s Badge while on school grounds. **If you are not wearing a Visitor’s Badge, you will be asked to return to the school office.**

Parent Volunteers
Parents and guardians are welcome to serve as volunteers in the school or in the classrooms as needed. All volunteers must follow all school policies and regulations regarding school visitors. **In addition, all school volunteers must adhere to the Diocese of Cleveland policies under Protecting God’s Children Program and must attend VIRTUS Training and submit to a Criminal Background Check.**

Bus Safety Procedures
When riding the school bus, St. Angela Merici students will conduct themselves in a Christian manner and obey all bus safety regulations as stated by the various Transportation Departments.
Student Contact During the School Day
If your child needs to receive an emergency message from you, the school office will make sure he/she receives it. Students will not be called from class to receive a phone message except in emergency cases. Since students may not use cell phones on school grounds during the school day, please do not call or text your child via their cell phone during the school day.

To foster student responsibility, no items will be delivered to any student beginning October 1", except lunches, medication and eye glasses.

Students Returning to the Building After Dismissal
For the safety of students and to foster student responsibility, students may only re-enter the school building after dismissal with teacher supervision or for school sponsored activities, detentions and BATS.

Emergency Procedures
School Closing/Delayed School Days
St. Angela Merici School will be closed when the Fairview Park City Schools are closed. In the event of any emergency closing situation, the attendant information will be forwarded to the television stations. When necessary, the School Messenger system will be used. It is the responsibility of the parent to be sure that the current contact information is up to date with the school office.

Emergency Drills
Every precaution to ensure the safety of your child is taken during normal school hours. Emergency drills, including but not limited to fire, tornado, rapid dismissal, evacuation, and lockdown drills, are intended to promote an orderly evacuation for all children in all locations.

Cafeteria
The Schoolhouse Cafe participates in the National School Lunch Program which ensures that our students receive nutritious, quality meals that adhere to government standards. Students have the option of purchasing a hot lunch or packing their lunch daily. Milk is available to purchase for those who pack. Menus are posted monthly on Gradelink and students fill out a lunch card via Family Mail indicating the days they would like to purchase lunch. The Cafe utilizes a POS system for lunch and cafe purchases with an online payment portal at MySchoolAccount.com where parents are also able to view student purchase history.

Lunch fees are as follows:
· Hot Lunch-milk included (pre-order) - $ 3.00
· Milk only - $0.60

A variety of “extras” are also available for purchase each day. Items include milk, bottled water, vitamin-fortified slushies, ice cream, hot pretzels, and more.

Applications for free or reduced-fee lunch are in the Welcome Back packet and are accepted throughout the school year. Families may qualify for reduced-fee or free lunches based on household income. This is a strictly confidential program and we strongly encourage those that may qualify to utilize this service.
If a student forgets their lunch, or did not pre-order a lunch, they can purchase a daily buy for $3.50 or receive an “emergency lunch” if they do not have money in their account. Our policy is that no student ever goes without a lunch.

The Nutrition Services Office can be contacted at 440-333-2126 x148 or at samcafe@samparish.org.

**Extended Care Program**

St. Angela Merici has an Extended Care program that provides child care Monday through Friday from 2:35 p.m. until 6:00 p.m. Parents must register their children for this program in advance. The Extended Care program is closed on all days when school is not in session. The program provides childcare for children in Kindergarten through Grade Six. Payment for Extended Care services is due in advance of services rendered. For more information, please contact Julie McGovern, Extended Care Director, at extendedcare@samparish.org.

**Student Health and Wellness Programs and Policies**

**Wellness Program**

The St. Angela Merici Wellness Team seeks to promote awareness of healthy living through health education, motivation for physical fitness and opportunities for good nutrition to enhance the quality of life. Our current Wellness Policy is available on Gradelink under School Policies.

**Student Health Services**

St. Angela Merici School is scheduled to receive the services of a school nurse five days a week from 7:30 am – 2:30 pm. Since St. Angela Merici School's Health Services are staffed by PSI school nurses and are funded by the State of Ohio Auxiliary Services Funding, the availability of a school nurse is determined by PSI and limited by State funding.

St. Angela Merici School Health Clinic School Nurse may conduct the following screenings as outlined below. If a student does not pass any health screening, the school nurse will notify the parents so that the parents can have the student examined by a physician.

- **Hearing Screenings** are typically given upon referral of the classroom teacher and/or parent with principal approval.
- **Vision Screenings** are given routinely to students.
- **Scoliosis Screenings** are routinely conducted on students in grades 6, 7, and 8. Scoliosis is a sideways curvature of the spine in the neck and/or lumbar area. Since scoliosis in a young spine can typically be corrected without surgery, it is very important to detect scoliosis before the spine is finished growing.
- **Pediculosis (Head Lice) Screenings** will be conducted as needed to prevent the outbreak of pediculosis.

**Immunizations**

Record of each student’s immunization dates are kept on the school health record. The school nurse will notify parents when a child is lacking any immunizations required for school attendance by Ohio State Law. Since students are required by Ohio Law to have all necessary immunizations, students who are not adequately immunized will be excluded from school. If your child receives any immunizations from a health care provider, please send this information to the school nurse so that the immunization is recorded on the student’s health record.
Student Illness Procedures

Emergency medical forms are kept on file and must be updated by the parent annually. The office must be informed of any changes in emergency information throughout the school year.

If your child becomes ill or is injured, it is the parent’s responsibility to provide transportation home with a responsible adult. Under no circumstances is a student permitted to walk, ride a bike home, or take a taxi.

Any student exhibiting the following conditions is required to go home after the parent(s) are notified:

- Temperature of 100 degrees or above, using an oral thermometer, within the past 24 hours
- Nausea and/or vomiting, within the past 24 hours
- Diarrhea
- An undiagnosed skin rash
- Suspicion of pink eye or any communicable disease or lice
- Head injury or back injury
- Suspicion of broken bone
- Presence of head lice or any other communicable condition
- Other conditions which place students and staff at risk

School personnel will call 911 in the case of serious injury.

Guidelines for Dispensing Medication during the School Day

The following guidelines will be followed for school personnel to administer prescribed medication:

1. New request forms must be submitted each school year and as necessary for changes in medication order.
2. A St. Angela School Written Request Form must be obtained from the school office or school nurse and be completed by both physician and the parent/guardian before any medication may be administered by school personnel. The request must include instructions as to the name of the medication, dosage, time and duration of the medication, and possible side effects.
3. Medication must be in the original containers (childproof) and have an affixed label including the student’s name, name of the medication, dosage, route of administration, and the time of administration.
4. A photograph must be supplied for every student who requires medication. This photograph will be attached to the student’s file with which their medication is kept. The purpose for this photo is to ensure safety and accountability for medication administration.
5. No student is permitted to self-administer medication of any type, either prescription or over the counter. The only exceptions will be doctor ordered. A doctor’s order and/or dialogue will allow the self-administering of inhalers or EpiPens. A copy of the doctor’s order to carry an inhaler must be submitted to the health office.
6. Students may not carry or consume cough drops. If cough drops are deemed necessary, a parental permission form and a physician’s permission form are required. The cough drops must be kept in the school health office. Health personnel will supervise the consumption of cough drops in the school health office. Due to the possibility of choking, no gum or hard candy is permitted in the school.
Co-Curricular, Extracurricular and Enrichment Programs

Field Trips and Assemblies
Field trips are an extension of our classroom learning and the school curriculum. All students are expected to participate in the field trips and, while off school premises, comply with the School Code of Conduct. Since attending a field trip is a privilege and can be revoked, students who will not participate in a field trip will be given an alternative assignment to complete. No student will be permitted to attend a field trip without written permission from parent(s) or legal guardian. Please contact the principal confidentially if there is a concern regarding the cost of field trips.

Performing Arts Programs
Both visual art and music are integrated into our regular curricular programs. The performing arts are showcased during the Christmas Program (K – 3) and the Spring program (grades 4 – 8). In addition, students have the opportunity to participate in our optional performing musical arts program (instrumental music and band) in grades 4 – 8 which is offered to our students for an additional fee. Our instrumental music students perform two concerts a year: at Christmas time and in the Spring.

Dress Code Policy

St. Angela Merici school policy encourages students to focus on self-expression through the development of an individual’s skills, talents and service, not on self-expression through material goods. Neatness, cleanliness, and appropriateness in dress and appearance are conducive to a Catholic academic atmosphere and will be expected of all students at all times. Daily parental supervision of personal hygiene habits results in the growth of the child’s self-esteem and pride in personal appearance. The St. Angela Merici uniform is a constant reminder of self-discipline rooted in Catholic values required for learning. While dressed in the uniform at school and in public places, all students’ conduct, actions, and language will be consistent with the Catholic philosophy and values of our school community and our Code of Conduct.

### Out of Uniform Days

Periodically throughout the year, special days may be designated as an “Out of Uniform Day”. Out-of-uniform days will be announced in writing via the Bruins Bulletin, Gradelink or by an email from the principal. Types of out-of-uniform days include, but are not limited to:

- **Spirit Days** ~ Students may wear St. Angela Merici School SpiritWear shirts *which includes the gym uniform shirt* with either jeans (clean, neat, hole-, rip- and torn-free clothing that are age, length and size
appropriate) or navy athletic pants (fleece or nylon) or Bruins SpiritWear pants. **Students must wear a SpiritWear shirt in order to participate.** Students may wear gym uniform shorts during the summer uniform periods.

- **Accent Days** ~ Students may wear designated accents with their full school uniform on those days.
- **Casual Dress Days** ~ Students are permitted to wear appropriate casual clothes (*no sleeveless tops or shorts permitted*). Consistent with our policy, students must wear clean, neat, hole, rip- and torn-free clothing that are age, length and size appropriate. Students may wear gym uniform shorts during Summer Uniform.

All clothing, shoes and accessories must reflect and be consistent with Catholic values, are safe, and do not distract from learning (*i.e. no clothing with reference to alcohol, violence, sexual activity, offensive musical group names, crude, lewd or generally offensive language, innuendo or graphics*). Questions regarding the appropriateness of apparel, based upon the planned activity, are resolved by the principal.

**Uniform Violations**

The student is not permitted to participate in classes without the proper uniform; in addition, students must be in complete compliance with the uniform policies for physical education class. Consequences for non-compliance with the Uniform Policy include but are not limited to:

<td>3. Suspension until violation is corrected</td>
</tr>
</tbody>
</table>

For out-of-uniform day dress code violations, consequences may include but are not limited to any of the above consequences and loss of future out-of-uniform privileges.

*Since fads and fashion trends are constantly changing, it is not possible to foresee all possible inconsistencies of student dress and appearance within the spirit and intent of the uniform policy and the mission of the school. The interpretation of the uniform policy, including but not limited to student dress and appearance that is not safe, not consistent with Catholic values and/or is distracting to the learning environment, rests with the principal, and the principal’s decision is final.*
Student Code of Conduct

Catholic education must include the emphasis on the whole child, which includes the development of moral character. For this reason, a code of conduct is necessary in cultivating a sense of Catholic values, encouraging students to think independently in order to make sound judgments, and developing the self-discipline and self-control to live Gospel values. All students at St. Angela Merici School are expected to behave in accordance with the school mission and belief statements and to act as a Catholic young lady or a Catholic young gentleman at all times, both at school and at school events.

The Code of Conduct for St. Angela Merici School is rooted in the key Catholic values represented by the mission and belief statements are: **Faith, Service, Leader and Role Model, Respect, Uniqueness, Safety, Excellence and Self Directed Learner.** These Catholic values act as a compass for the classroom rules that span the K – 8 continuums in age-appropriate means.

As part of the St. Angela Merici School community – including all students, parents, faculty, staff, volunteers, and administration – we acknowledge and accept the values and policies of the school and parish that are intended for the good of the entire school community. Fair and consistent expectations of acceptable behavior in students provide the environment in which to develop a child’s growing awareness of conscience and of appropriate behavior expectations. Keeping this in mind, students may make mistakes, including mistakes in behavior choices, as part of their learning process.

**Consequences**

St. Angela Merici School strives to provide experiences that assist the students in developing an awareness of their own behavior. Our aim is to teach our students to make appropriate choices, to practice appropriate behavior, and to develop personal responsibility. The consistent effort and support of the entire school community makes this aim a reality.
As part of the learning process, students may make choices inconsistent with our shared community values. Inappropriate behavior is seen as an opportunity for growth and development of conscience. As part of the educational process, the following actions may be taken depending on the severity or nature of the disciplinary infraction and the frequency of the infraction:

- Redirect inappropriate behavior
- Reflective questioning
- Guided choices
- Referral to Peer Mediation
- Reflective writing
- Behavior Altering Time (BAT)
- Detention
- Loss of privileges or rewards
- Removal from classroom or learning activity
- Conferencing -- including phone, email, notes/letters, face-to-face -- with student, teacher, parent, principal, and/or pastor
- Referral to principal
- Referral to Pastor or his designee
- Restitution
- Positive Behavior Management Plan
- Referral to the Intervention Assistance Team
- Suspension (in school or out of school)
- Referral for psychological assessment, counseling or referral to psychiatrist for comprehensive mental health evaluation and treatment
- Contract for behavior change
- Probationary contract
- Expulsion/dismissal or non-readmittance for next academic school year
- Other consequences deemed appropriate by the pastor or principal

**Detentions**

At St. Angela Merici School, there are two types of detentions: Responsibility Detentions and Disciplinary Detentions.

**Responsibility Detentions** are earned and served for failure to act responsibly for choices including, but not limited to: ten accumulated tardies in one academic quarter, in returning parent notification forms (BATS, detention forms, report cards, signed test etc.), failure to serve a BAT. If a student receives five responsibility detentions, the school may contact the parents to arrange a mandatory conference with the principal, student, parents, and/or teacher. At this conference, there is a discussion of the behavior modifications necessary for the student to avoid subsequent detentions. After each additional five responsibility detentions, the principal may arrange another mandatory conference.

**Disciplinary Detentions** are earned and served for a serious behavior choice that is inconsistent with Catholic values including, but not limited to:

- **Safety Violations:** Pushing/shoving, bullying or teasing, failure to comply with safety rules/policies/procedures, in unassigned area without permission, unsafe behavior in any form, eating or drinking outside of cafeteria (including gum or candy), violation of cell phone policy, violation of acceptable use or Internet policies, talking or disruptive behavior during an emergency drill, other safety violations
• **Integrity Violations:** lying/misrepresentation, cheating/academic dishonesty, forgery, stealing, failure to serve assigned detention, going through/moving faculty or staff’s or another student’s property without consent, other integrity violations

• **Respect Violations:** disrespect of faculty/staff/other adults, refusal to comply with staff directives, disrespect of other students, disruptive or distracting behavior, inappropriate language (oral, written, drawn or gestured), Bus Report, Dress Code violation, violation of classroom rules, policies or procedures, disrespect of property, vandalism/defacing property/misuse of school property, other respect violations

• **Catholic Values Violations:** failure/refusal to participate in prayer or liturgy, failure/refusal to assist or serve others, disrupts another person’s right to pray or serve others, encourages another student to violate the code of conduct, public displays of affection, other core value violation

**Students who receive five disciplinary detentions:**
The school administration reserves the right to require (including but not limited to): conference with principal and/or pastor, contract for behavior change, loss of privileges, referral to the Intervention Assistance Team, contract for behavior change, probationary contract, suspension or expulsion.

**Detentions are served by students after school on the date and at the times listed on the detention slip.** Students who do not attend the assigned detention date and time as noted on the detention slip will serve an additional detention. If a student is unable to attend a detention due to a medical appointment, written documentation from the health care provider is required. Students must have a detention slip signed by their parent/guardian and returning to the issuing teacher by no later than the next school day. Detentions are scheduled on Monday and Thursday afternoon from 2:40-3:10 p.m. A parent, guardian or other adult designated by the parent or guardian must provide transportation home from detention. During the detention session, the student reflects on his actions, assumes responsibility for inappropriate behavior and plans to make correct choices in the future.

**Suspension and Expulsion**
Some violations of the Code of Conduct and serious discipline matters may result in a student’s suspension. A suspension is an extreme consequence designed to impress upon the student the seriousness of his or her behavioral choices. A suspension may be issued to a student including but not limited to (1) committing a serious violation of school policy or serious misconduct, as determined by the school and/or parish administration, or (2) receiving five behavioral detentions in one academic quarter or any additional detentions, or (3) while a disciplinary matter is investigated, or (4) while a student needs to be assessed and evaluated by a psychologist or other therapist to determine whether the student is a danger to self or others in order to determine if a disciplinary action or probationary contract should be devised, or (5) when a student may be a danger to self or others but the matter is not yet fully resolved, or (6) when called for by one of the other policies in this handbook.

Suspension is used for severe offenses at the discretion of the principal and/or pastor. Student actions that can lead to a suspension and/or expulsion include, but are not limited to: Leaving school premises without permission, possession, use, sale transmission, attempted use, attempted sale, or attempted transmission of drugs, alcohol, tobacco, hallucinogens, controlled substances, and look-a-likes, assault on a student, staff member or volunteer, prosecutorial acts (i.e. commission of a crime and/or actions for which prosecution is instituted), abuse of computer hardware or software, falsely calling 911 or falsely pushing a fire alarm, threats of any type, possession of flammable objects, possession of firearms or look-a-likes, harassing conduct including but not limited to sexual
harassment, acts of indecency or voyeurism, repeated, extreme, excessive or profane vandalism or graffiti on any school or personal property (restitution is expected), repeated or extreme aggressive physical contact including but not limited to fighting, tripping, pushing, or shoving, repeated or extreme inappropriate, vulgar, indecent, offensive, or profane language spoken, written or gestured, repeated or extreme disrespectful behavior including but not limited to verbal abuse, negative or belligerent attitude, or demanding reasons when being corrected, repeated or extreme verbal aggression including but not limited to bullying, name-calling, taunting, teasing, or put-downs, inappropriate or sexual contact between students including but not limited to public display of affection, Bus Report (repeated or serious offense) excessive or unexcused absences or tardies, repeated dress code violations or failure to comply with dress code, repeated acts of misbehavior and other serious behaviors as determined by principal.

A student’s suspension may be either an in-school suspension or an out-of-school suspension as determined by the principal. A mandatory parent conference will occur with student, teacher, and principal prior to suspension. At the conference, the principal explains the reason for the suspension and leads a discussion to plan behavior modifications for the student to avoid future suspensions.

Before a student is readmitted to class following any suspension, the following must occur: (1) any work missed during the suspension must be made up without credit, and (2) the student and one parent must meet with the principal and/or pastor for a post-suspension conference. In some cases, other conditions, as determined by school or parish administration, must be met prior to readmittance including but not limited to a behavior management plan, behavior contract, probationary contract, or a psychological/psychiatric referral and treatment.

The responsibility for determining a student’s expulsion is made after serious consideration of all factors by the principal and the pastor. The principal and pastor may deem an action by a student so severe that it would result in immediate expulsion from school. However, the principal and pastor may deem that a pattern of suspensions would result in an expulsion from school.

**Searches**

All property of the school, including but not limited to, students’ desks and lockers, and files on computers or network storage areas, as well as their contents, may be searched and inspected at any time without notice. School personnel have the right to search the above.

**Communication Regarding Disciplinary Decisions**

If you have questions or concerns regarding a disciplinary decision, contact the issuing teacher via email, note or phone message to discuss your concerns or questions. If you have already contacted the issuing teacher and still have questions or concerns after discussion with the issuing teacher, contact the principal via email, note or phone.

Because it is impossible to foresee all problems that arise, the administration is authorized to take disciplinary action for any behavior that violates the spirit, mission, and philosophy of St. Angela Merici School even though the act is not specified under the code of conduct and discipline policies and procedures.
School Policies

Cell Phone and Electronics Policy

No student is permitted to use a personal cell phone in the school building during the school day and school events. 1. **First Offense:** The cell phone or electronic device will be confiscated, and the student’s parent must make an appointment with the principal to obtain the cell phone or electronic device, and the student will receive a disciplinary detention.

2. **Second Offense:** The cell phone or electronic device confiscated for a period of five school days, and the student’s parent must make an appointment with the principal to obtain the cell phone or electronic device, and the student will receive a disciplinary detention.

3. **Third Offense:** The cell phone or electronic device confiscated for the remainder of the school year, and the student’s parent must make an appointment with the principal to obtain the cell phone or electronic device, and the student will receive a disciplinary detention.

Repeated cell phone or electronic device infractions may result in additional disciplinary consequences including suspension or dismissal. **Please note that the cell phone policy is applicable even for phone calls or text messages received by students from parents or guardians.**
Family/Child Custody Policy

In two-parent families, it is assumed that both parents are living at the same address unless we have been notified otherwise. Therefore, St. Angela Merici Parish School personnel will send home notices and all communication home with the student. It is assumed that both parents are communicating regarding the student, and that all information will be shared by and between parents. This information includes, but is not limited to, conference appointments, report cards, discussions with school personnel, disciplinary matters, and tuition statements.

In families experiencing separation of parents, or pending divorce, the above information will be sent home with the child to whichever parent currently has care of the student. It is assumed that this information is shared by the parents and between parents. Since the situation frequently impacts the student’s achievement and interactions at school, parents are required to inform the principal and teacher(s) of this fact so that appropriate support can be given to the child. The school’s personnel cannot proceed on hearsay, rumors or demands of a parent, but only with the appropriate documentation detailed below.

In cases of an actual divorce decree, the principal must be informed by the residential/custodial parent of this fact; a copy of the most recent entire decree bearing the case number, including the pages referring to custody and the relationship with the school, and the final page bearing the judge’s signature must be submitted to the principal. Unless the decree states otherwise, all school communications will be sent home to the residential parent. Residential parents should understand, however, that unless the divorce decree specifically limits the non-residential parent’s right to access the records, the non-residential parent has a right to the same access as the residential parent. We will, unless instructed by a Court Order, release such records upon request to the non-residential parent. Records include official transcripts, report cards, health records, referrals for special services and communications involving major disciplinary actions. It does not include daily class work and papers, or routine communications sent through the children to the home of the student’s residence. In these cases, the custodial parent is required to cooperate with the school and share this information directly with the non-residential parent.

Further, you should realize that unless restricted by Court Order, any non-residential parent has the right to attend any school activity of the student that includes sports activities and class programs. Parents are required to keep each other informed as to these activities to avoid duplication of communication and to allow the school to better attend to the duty of teaching your students. In cases of Joint Custody and Shared Parenting Agreements entitling both parents access to school personnel and activities, it is assumed that one copy of communications and information will be sent home with the student and this will be shared by and between the parents.

Regarding parent conferences in all custody situations: it is preferred and will be the general procedure that one conference appointment be scheduled jointly if both parents wish to be present. It is required that parents are able to set aside their differences and to come together on behalf of their child for this time. A joint conference further ensures that both parents are given the same information at the same time, thereby avoiding misunderstandings or misinterpretations. In cases where joint conferences are clearly neither possible nor desirable by all parents involved, alternate arrangements may be discussed with the principal, subject to approval of both parents, and further reviewed by St. Angela Merici School’s legal counsel. Every effort will be made to keep communications open with both parents while at the same time avoiding duplication of services and excessive demands on the teacher’s time.
Visitation should begin at the home of one of the parents and may not begin at the school or on school property. It is hoped that visitation arrangements would reflect the sensitivity of both parents to consistency and routines that foster security and allow for school responsibilities and homework to be taken care of during the school week.

**Consent and Release of Liability for Media Use**

In order for the school to use a student’s photograph, audiotape, videotape, name, image, spoken words, student work, and/or performance in any form to display, release, exhibit or distribute the same, a completed and signed Consent and Release of Liability for Media Use must be signed and on file in the school office. Please note that if this consent is not granted your child may not be included in any class picture or in the yearbook nor may his/her school work be displayed on bulletin boards in the classroom or school.

**Personal Property Policy**

Students are not to bring valuable personal property on the school or parish premises. All personal property that a student brings onto the school or parish property is at the risk of the child and the school is not responsible for its loss, theft or damage.
Diocesan Policies

Student Acceptable Use Policy
St. Angela Merici Parish School
Diocese of Cleveland

St. Angela Merici Parish School makes a variety of communications and information technologies available to students through computer/network/Internet access. These technologies, when properly used, promote educational excellence by facilitating resource sharing, innovation, and communication. Illegal, unethical or inappropriate use of these technologies can have dramatic consequences, harming the school, its students and its employees. The Acceptable Use Policy is intended to minimize the likelihood of such harm by educating St. Angela Merici Parish School’s students and setting standards that will serve to protect the school. We firmly believe that digital resources, information and interaction available on the computer, network or Internet far outweigh any disadvantages.

Definition of school technology system: The school systems and networks (system) are any configuration of hardware and software. The system includes, but is not limited to, the following:
- telephones, cellular telephones, and voicemail technologies;
- email accounts;
- servers;
- computer hardware and peripherals;
- software including operating system software and application software;
- digitized information including stored text, data files, email, digital images, and video and audio files;
- internally or externally accessed databases, applications, or tools (Internet- or District-server based);
- school provided Internet access;
- school filtered public Wi-Fi; and
- new technologies as they become available.

Acceptable Use: Students are responsible for appropriate behavior on the school’s computer network just as they are in a classroom or on a school playground. Communications on the network are often public in nature. General school rules for behavior and communications apply. It is expected that users will comply with school standards and the specific rules set forth below as interpreted from this policy. The use of the network is a privilege, not a right, and may be revoked if abused. The user is personally responsible for his/her actions in accessing and utilizing the school’s computer resources in accordance with Student Code of Conduct.

Privilege: Access to the District’s computer/network/Internet is a privilege, not a right.

Access to communication system: Access to the school’s electronic communications system, including the Internet, shall be made available to students for instructional purposes. Each school computer/device and Wi-Fi (available for students who bring in their own personal telecommunication devices) has filtering software that block access to visual deceptions that are obscene, pornographic, inappropriate for students, or harmful to minors as defined
by the federal Children’s Internet Protection Act (CIPA). Filtered Internet access is provided to students as defined by CIPA.

**Inappropriate Use:** Inappropriate use includes, but is not limited to, those uses that are specifically named as violations in this document; that violate the rules of network etiquette; or that hamper the integrity or security of this computer/network/Internet system or any components that are connected to it.

Transmission of any material in violation of any federal or state law is prohibited. This includes, but is not limited to:

- cyber bullying;
- threatening, pornographic, harassing, defamatory or obscene material;
- other inappropriate use of technology such as e-mail, social networking, web pages, blog posts, web posts, or discussion forum/replies posted to the Internet;
- copyrighted material, plagiarized material or materials protected by trade;
- the use of hardware and/or software which disrupts or interferes with the safety and welfare of the school community (even if such uses take place after school hours or off school property).

**Vandalism or Mischief:** Tampering with or theft of components from school systems may be regarded as criminal activity under applicable state and federal laws. Any attempt to break the law through the use of a school computer/network/Internet account may result in prosecution against the offender by the proper authorities. If such an event should occur, the school will fully comply with the authorities to provide any information necessary for legal action.

**Modification of Computer:** Modifying or changing computer/device settings and/or internal or external configurations without appropriate permission is prohibited.

**Students Access:** Computer/Network/Internet access is provided to all students unless parents or guardian request in writing to the school principal that access is denied. Students Internet access will be under the direction and guidance of a school staff member. Students must adhere to the following:

1. **Respect and protect the privacy of others.**
   1. Use only assigned accounts.
   2. Decline to view, use, or copy passwords, data, or networks to which they are not authorized.
   3. Avoid distribution of private information about others or themselves.

2. **Respect and protect the integrity, availability, and security of all electronic resources.**
   1. Observe all network security practices as posted.
   2. Report security risks or violations to a school administrator, teacher or network administrator.
   3. Refrain from destroying or damaging data, networks, or other resources that do not belong to them without clear permission of the owner.
   4. Conserve, protect, and share these resources with other students and Internet users.
5. Get appropriate approval before accessing the network with personal devices.
6. Abstain from overriding the Internet content filtering system.

3. Respect and protect the intellectual property of others.
   1. Refrain from copyright infringement (making illegal copies of music, games, or movies).
   2. Avoid plagiarism.

4. Respect and practice the principles of parish and school community.
   1. Communicate only in ways that are kind and respectful.
   2. Report threatening or discomforting materials (cyber bullying) to a school administrator, teacher or network administrator.
   3. Refuse to access, transmit, copy, or create material that violates the school's code of conduct (such as messages that are pornographic, threatening, rude, discriminatory, or meant to harass).
   4. Avoid accessing, transmitting, copying, or creating material that is illegal (such as obscenity, stolen materials, or illegal copies of copyrighted works).
   5. Abstain from using the resources to further other acts that are criminal or violate the school's code of conduct.
   6. Avoid sending spam, chain letters, or other mass unsolicited mailings.
   7. Refrain from buying, selling, advertising, or otherwise conducting business, unless approved as a school project.
   8. Avoid posting or disseminating any harassing, demeaning, threatening or immoral comment or visual injurious to the reputation of the school, the parish, the Church or an individual, whether the action occurs on school property or off grounds.

**School Email and Communication tools:** Email and other digital tools such as, but not limited to, blogs and wikis are tools used to communicate. The use of these communication tools should be limited to instructional, school related activities; or administrative needs. All communications within these tools should adhere to the above mentioned rules.

**The following guidelines must be adhered to by students using a personally-owned telecommunication device at school:**

a. Internet access is filtered by **St. Angela Merici Parish School** on personal telecommunication devices in the same manner as **St. Angela Merici Parish School** owned equipment. If network access is needed, connection to the filtered, wireless network provided by the school is required. Use of 3G or 4G service bypasses the security filter and is considered a violation of the Acceptable Use Policy.

b. These devices are the sole responsibility of the student owner. The school assumes no responsibility for personal telecommunication devices if they are lost, loaned, damaged or stolen and only limited time or resources will be spent trying to locate stolen or lost items.

c. These devices have educational and monetary value. Students are prohibited from trading or selling these items to other students on school property, including school buses.

d. Each student is responsible for his/her own device: set-up, maintenance, charging, and security. Staff members will not store student devices at any time, nor will any staff diagnose, repair, or work on a student's personal telecommunication device.
e. Telecommunication devices are only to be used for educational purposes at the direction of a classroom teacher.
f. School administrators and staff members have the right to prohibit use of devices at certain times or during designated activities (i.e. campus presentations, theatrical performances, or guest speakers) that occur during the school day.
g. An appropriately-trained administrator may examine a student’s personal telecommunication device and search its contents, in accordance with disciplinary guidelines.

**Subject to Monitoring:** All St. Angela Merici Parish School network/Internet usage shall not be considered confidential and is subject to monitoring by designated staff at any time to ensure appropriate use. All electronic files, including email messages, transmitted through or stored in the computer system, will be treated no differently than any other electronic file. St. Angela Merici Parish School reserves the right to access, review, copy, modify, delete or disclose such files for any purpose. Students should treat the computer system like a shared or common file system with the expectation that electronic files, sent, received or stored anywhere in the computer system, will be available for review by any authorized representative of St. Angela Merici Parish School for any purpose. Personal telecommunication devices are subject to examination in accordance with disciplinary guidelines if there is reason to believe that the Acceptable Use Policy has been violated.

**Consequences for Violation:** Violations of these rules may result in disciplinary action which may include the loss of a student's privileges to use the school's information technology resources. Users have the responsibility to use technology resources in an appropriate manner. Consequences of misuse or abuse of these resources will be disciplined depending on the severity of the situation. In addition to school disciplinary action appropriate legal action may be taken.

**Supervision and Monitoring:** School and network administrators and their authorized employees periodically monitor the use of information technology resources to help ensure that users are secure and in conformity with this policy. Students have no expectation of privacy with respect to the use of technology resources. Administrators reserve the right to examine, use, and disclose any data found on the school's information networks in order to further the health, safety, discipline, or security of any student or other person, or to protect property. The school administration has the right of access to any electronic devices brought onto school property. They may also use this information in disciplinary actions and will furnish evidence of crime to law enforcement should one be committed.

**Agreement Form:** In order to ensure the proper use of technology resources, it is necessary that each user and parent/guardian annually sign the attached Student Acceptable Use Policy – User Agreement Form. The signed form must be on file at St. Angela Merici Parish School before Internet and other technology access is permitted. Signing the form indicates that the user will abide by the rules governing Internet and other technology access as stated in this policy.

The school reserves the right to issue additional or more detailed rules for the use of technology resources, and violations of such rules may be a cause for imposition of any of the penalties delineated above. The school reserves the right to seek financial restitution for any damage caused by a student.

All members of the school community, in turn, have an obligation to promote mutual respect, tolerance, and acceptance.

The principal will provide staff development training in bullying prevention and cultivate acceptance and understanding in all students and staff to build each school’s capacity to maintain a safe and healthy learning environment. SEXUAL HARASSMENT AND SEXUAL VIOLENCE POLICY

PURPOSE
St. Angela Merici Parish School is firmly committed to a safe, positive learning and working environment for everyone in the school. For this reason, and in keeping with the goals and objectives of Catholic education, St. Angela Merici Parish School expressly prohibits sexual harassment and sexual violence in the school environment. This policy re-emphasizes the personal dignity of the individual and fosters positive sexual attitudes and respect for others.

SEXUAL HARASSMENT
For the purposes of this policy, sexual harassment includes but is not limited to the following specific instances: verbal sexual abuse; disseminating obscene or sexually explicit material, whether in the form of music, written lyrics, pornographic pictures or other literature, or having such material in one's possession in the school, on school grounds or at school-sponsored activities; obscene or sexually explicit graffiti anywhere in the school or on the school/parish grounds; continuing and unwanted written or oral communication directed to another of a sexual nature; spreading sexual rumors/innuendoes; obscene T-shirts, hats, or buttons; touching oneself sexually in front of others; obscene and/or sexually explicit gestures; and any other inappropriate behavior of a sexually explicit or obscene nature that demeans or offends the recipient. The above list is not meant to be all-inclusive, but is intended to provide guidance in regard to what may constitute sexual harassment.

Isolated incidents are not sufficient to constitute harassment and will be handled according to the student behavior code. Allegations of sexual harassment (as deemed above) are to be reported to the teacher and the principals. Parents of both the offender and the victim will be informed of the allegations. The matter is to be kept confidential by all parties involved, and every effort will be made to protect the alleged victim from retaliation. The parents of both the offender and the victim are obligated to cooperate in remedying the situation.

If the allegations are substantiated, disciplinary actions will be taken. These will depend on the nature, frequency, and severity of the action, the age of the offender and victim, the history of similar actions by this individual, and the circumstances in which the harassment occurred. Possible disciplinary actions may include but are not limited to any or all the following:

- Verbal warning/reprimand and apology to the victim
- A parent/student/principals conference
- Written warning/reprimand and parent notification, entered into the student's file
- Detention or removal from selected school activities and/or extracurricular activities
- Behavior/probation contracts, possibly requiring professional intervention
- Suspension
- Expulsion
SEXUAL VIOLENCE
Some acts of sexual harassment are also criminal in nature. If an incident of sexual violence or abuse occurs, the principals, pastor, or other school authority is required under state law to report the incident (O.R.C.2151.421). The Department of Children Services and the police will be contacted immediately if there is any knowledge or suspicion (O.R.C.2151.421) that sexual abuse or violence has occurred involving a child less than eighteen years of age. The Diocesan Legal Office will be contacted immediately in these situations.

Generally sexual harassment should be construed as sexual violence when the recipient
· is physically touched without his/her consent in a sexual manner;
· is expressly threatened or perceives a threat of physical harm for purposes of the offender's sexual gratification; or
· is the victim of sex offenses under Ohio law, including Gross Sexual Imposition (O.R.C. 2907.05), Sexual Battery (O.R.C.2907.03), Rape (O.R.C.2907.020), Importuning (O.R.C.2907.07), Voyeurism (O.R.C.2907.08), Public Decency (P.R.C.2907.09), or Felonious Sexual Penetration(O.R.C.2907.12) as examples.

In each one of the above examples, the Department of Human Services and the police will be contacted immediately.

In accordance with Diocesan policy, certified teaching staff, volunteers, coaching staff and school/church personnel will participate in VIRTUS training, a program designed to aid in the assistance of identifying, preventing, and addressing sexual abuse and molestation.

PROCEDURES TO FILE A SEXUAL HARASSMENT COMPLAINT
Students or employees who believe they have experienced sexual harassment shall report such matter to the principal, who shall be the investigator for sexual harassment complaints.
1. A complaint of sexual harassment is to be made to the principals or other designated impartial administrator. The complaint shall be as specific as possible regarding details. Complaints made by school employees shall be in writing.
2. The principal or other impartial designee shall immediately investigate the complaint and shall make written notations of the specific allegations.
3. Information to be acquired during the investigation of the complaint shall include names of witnesses, date(s), times, and the specific charge of sexual harassment.
4. The need for confidentiality shall be stressed.
5. Reprisals will not be tolerated against complainants, witnesses, or individuals involved in the investigation.
6. The principal shall make a prompt determination regarding any disciplinary action. Notice shall be made to the parties regarding the disposition of the investigation consistent with the mandates of the Family Educational Rights and Privacy Act.

SEXUAL HARASSMENT INVESTIGATION PROCEDURE
Upon receiving a complaint from either a student or a school employee, the principal shall discuss the allegations with the complainant-victim to obtain a statement of the facts (e.g., what occurred, when, where, by whom, names of witnesses). All complaints are to be taken seriously. It is the responsibility of the principals to investigate promptly and impartially all claims of sexual harassment and to take appropriate and equitable action.
Parties shall be given an opportunity to present witnesses or other evidence during the investigation.

Information regarding an investigation of sexual harassment shall be confidential to the extent possible, and those individuals who are involved in the investigation shall not discuss information regarding the complaint outside the investigation process.

No one shall retaliate against any employee or student because he/she filed a sexual harassment complaint, assisted or participated in a sexual harassment charge, or because they have opposed language or conduct that violates this policy. Retaliation will result in discipline.

If the investigator is the alleged harasser or witness to the incident, an alternate investigator shall be designated.

When a crime has been committed, the designated administrator shall immediately notify the local police department. After the investigation is complete, notice of the outcome shall be given to the complainant(s) and alleged harasser(s) consistent with the mandates of the Family Educational Rights and Privacy Act.

Appropriate disciplinary action shall be taken when harassment has occurred, and appropriate efforts shall be taken to prevent reoccurrence of the harassment.

SEARCHES CONDUCTED BY SCHOOL PERSONNEL
SEARCHES OF SCHOOL PROPERTY
All property of the school, including students' desks and lockers as well as their contents, may be searched or inspected at any time without notice. School personnel have an unrestricted right to search these structures as well as any containers, book bags, purses or articles of clothing that are left unattended on school property.

SEARCHES OF STUDENT'S PERSON AND PERSONAL PROPERTY
The search of a student's person or handbag currently being carried is permissible when there is any suspicion that the student may be carrying contraband. Contraband, for purposes here, shall be defined as but not limited to, any weapon, illegal drug, drug paraphernalia, or other item, the possession of which is prohibited by law or by school policy.

CONDUCTING THE SEARCH
1. School administrators must always have another school authority present when a search is conducted.
2. If a student refuses to voluntarily empty pockets, or to open his/her book bag or purse, the student should be detained until parents are contacted and arrive.
3. Parents should then be informed that the student is risking possible suspension or dismissal for refusing to comply.
4. If a weapon or other dangerous ordnance is suspected, the school should contact the local police department immediately and should not attempt to disarm the individual. See related Weapons, Youth Gangs and Drug Policies.
5. If a weapon or illegal drug is actually seized, the school authority must contact the local police department to report the incident and secure the contraband until the police arrive.

**DRUGS OR ALCOHOL ABUSE**
Policy Regarding Possession, Sale, Attempted Sale, Transmission, Use or Abuse of Drugs or Alcohol, Hallucinogens, or Other Controlled Substances

Alcohol and drug abuse are serious societal problems, which do not respect any group or age and the dependency stage of alcohol and drug abuse is a treatable illness. Health and social problems of youth are primarily the responsibility of the family.

As educators in the Church, we in an effort to provide a drug-free environment, call ourselves to charity and compassion for the sick and concern for each student. We also recognize that we have an obligation to the general school population as well as the individual welfare of our pupils. Continuing educational programs for parents, teachers and students convey the message that drug and alcohol abuse is harmful and usage is not permitted. Prevention programs are implemented at all grade levels. Appropriate sanctions are to be imposed on those who violate any of the provisions of this policy or any local law or statute concerning illegal substances.

Parents will be notified immediately if a student is found to have, or be under the influence of, tobacco, alcohol, or drugs, or if the student has drug paraphernalia in his/her possession while on school property, on the bus, or during off-campus activities sponsored by the school. If appropriate, the police will be notified. A mandatory conference with parents will be arranged before the student returns to school.

Intervention by trained professionals may be required as a condition for the student to remain at Ss. Robert and William Catholic School. Lack of cooperation by either the student or parents in this matter will result in the student’s suspension or expulsion. If a student gives evidence of signs of chemical dependency, parents will be contacted by the principals and teachers, and an appropriate course of action will be decided upon. Parents who are aware of chemical dependency or similar problems with a student are to inform the school so that together we can assist the student in overcoming this dependency.

The principal and pastor may impose disciplinary action for violations of any school policy.

**WEAPONS POLICY**
In furtherance of the overall philosophy, goals and objectives of the Catholic educational experience, St. Angela Merici Parish School expressly prohibits the use, possession, sale, or discharge of any weapon or look-a-likes, or explosive devices in the school, on school grounds, or at school-sponsored activities. This policy shall apply to all students, participants in parish programs, teachers, administrators, and other personnel in the school or parish.
This policy includes, but is not limited to any weapon, firearm, knife, deadly weapon, or explosive, incendiary device or object, capable of inflicting harm or objects designed to expel air/gas projectiles. As defined by state law, a deadly weapon is "any instrument, device, or thing capable of inflicting death, and designed or specifically adapted for use as a weapon, or possessed, carried or used as a weapon (O.R.C. 2923.11A). Firearms shall include any loaded or unloaded gun of any caliber or type. This prohibition also includes any pistol, rifle or other device that uses air or gas propelled projectiles.

Violations of this policy may warrant notification of the police, immediate suspension, and possible expulsion. If possession of a weapon is suspected, the principals or other administrator may contact the police department before confronting the individual. If it is determined that this policy has been violated, the parents of the offender shall be immediately contacted and shall cooperate with the disciplinary process.

In or out-of-school suspension may occur pending the investigation and resolution. If the student’s infraction does not warrant immediate dismissal, then the parents may be required to sign a probation contract that includes all conditions of the student’s continued enrollment at the school. Possible terms of this probation agreement may include professional counseling, participation in a community program addressing youth violence, suspension from extracurricular activities, and any other conditions deemed appropriate by the administration of the school or parish program.

GANGS

YOUTH GANGS and GANG-RELATED ACTIVITIES ARE PROHIBITED. A gang is defined as any non-school sponsored group, usually secret and/or exclusive in membership, whose purpose or practices include unlawful or anti-social behavior or any action that threatens the welfare of others.

Gang activity includes, but is not limited to:
- recruitment,
- initiation,

- displaying gang markings or slogans on school or personal property or clothing,
- having gang tattoos,
- possessing literature that indicates gang membership,
- fighting, assault, hazing, extortion,
- establishing turf,
- use of hand signals, gang vocabulary and nicknames,
- possession of beepers or cellular phones,
- possession of weapons or explosive materials,
- possession of alcohol, drugs, drug paraphernalia,

- selling or distributing drugs for a known gang member,
- helping a known gang member commit a crime, or
- any other action directly resulting from membership or interest in a gang.
Consequences
If a student is suspected or identified as being a member of a gang, shows interest in joining a gang, initiates or participates in any gang related activity, or has been approached for recruitment, any or all of the following steps may be taken:

- Parents/guardians will be contacted immediately and appropriate intervention initiated
- A Behavior Contract will be prepared stating the conditions for the students to remain in the school
- Students may be referred to counseling (personal and/or family)
- Students may be referred to the Department of Human Services or other welfare or child care agencies of the respective county
- Students may be referred to outside agencies or programs for treatment when use of drugs or alcohol is involved
- Students may be referred to the Task Force on Violent Crime
- Police, Juvenile Court, and other appropriate authorities will be notified of violence and/or illegal activities
- Students may be suspended and/or expelled as already outlined in the school discipline policies
- Parents/students will be held liable and financially responsible for all forms of vandalism

Jurisdiction
Realizing that gang activity is a community concern, communication will be maintained with the police department and public school officials on all matters related to gang activity within this community. Involvement and jurisdiction of school authorities in gang-related incidents occurring outside the school or off school/parish property will be determined in cooperation with diocesan legal authorities and the police, and will take into consideration the nature of the incident, the safety of the student, the effect of the incident on other students, and the good order and functioning of the school.

Related Policies
In order to prevent the onset of gang-related activity, the following related policies will be strictly enforced:

1. Dress code and uniform policy as defined in the school handbook
2. Discipline policies and consequences as defined in the school handbook
3. The right of school authorities to search lockers, student book bags, student desks, and upon request, personal property if suspicion of gang involvement exists. Note: These items may also be searched for probable cause outside the boundaries of gang-related suspicions.
4. Policies and procedures relative to scheduling, supervision, and attendance at and participation in school/parish sponsored events, held during the school day, during the evening or on weekends, whether held on parish property or at other public facilities
5. Insistence on parent cooperation in not permitting children to host/attend unsupervised parties or activities
Prevention
In order to assist students in the development of positive self-esteem, decision-making skills, and social values, appropriate educational programs and activities will be provided as judged appropriate by the pastor and/or principals. These may include, but are not limited to, guidance programs, and parent education programs, social activities that foster positive group identification and behavior, and parish-based youth ministry activities.

PREGNANCY POLICY

Principles:
Two sets of principles are to be applied in the situation of the adolescent pregnancy in the Catholic school setting. One set of principles applies to the teaching on respect for human life. The second set of principles applies to effective school management.

Principles of Respect for Human Life
These principles apply to the moral teaching of the Catholic Church on the sanctity of the human person. In the situation of student pregnancy, these principles refer to the teaching on the sanctity of human sexuality, the sacrament of marriage, the dignity of the unborn child, and the care that must be extended to the pregnant student and the father.

In applying these principles, the specific topic of premarital sexual activity, while not entirely irrelevant to the episode of the pregnancy, is not to become the focus of attention in dealing with the pregnancy.

The principles on the dignity of human life are directed to the mandate from Jesus in the Gospel, to mercy, kindness and compassion for each person, regardless of the circumstances that may contribute to their state or condition.

These principles are compelling in that the very essence of the church is to be the living presence of a loving God, a presence addressed to individuals in their human condition.

Together, these two sets of principles flow from the call of the Church to respect human life and dignity, and together, these principles provide one part of the framework to resolve the issues presented when a student, male or female, is involved in a pregnancy in the school setting.

The entire Pregnancy Policy is available for review in the principal’s office.

AIDS POLICY REGARDING STUDENTS
Children with Acquired Immune Deficiency Syndrome (AIDS) enrolled or seeking enrollment in Grades K through 12 shall be permitted to attend school or parish religious education programs in regular classroom settings, provided

1. The health of a child, as documented by his/her physician, allows participation in regular academic school activities
2. The child behaves acceptably; in a manner that would not cause spread of the disease or in any way put others at risk
3. The child does not have open sores, skin eruptions or any other condition which prevents his/her control of bodily secretions
4. There are periodic evaluations of the child’s physical condition with written certification from his/her physician allowing continuing participation in regular academic school activities

At St. Angela Merici Parish School, the pastor and principal will confer with the appropriate persons and consult with the regional superintendent before the pastor makes the final decision regarding admission.

Parents and guardians have the obligation to report to the school administration when any child is diagnosed as having AIDS, ARC (AIDS Related Complex), or other illness caused by HIV (Human Immune Deficiency that causes AIDS, also known as HLVII or LAV).

In order to protect confidentiality, when a child with AIDS is admitted to school, personnel who are made aware of the child’s condition should be the minimum necessary to assure proper care of the child.

Based on the condition of the child and the expected type of interaction with others, the principals (after consultation with proper authorities) may limit the child’s participation in school activities.

A student with AIDS who is excluded from the parish school or the religious program in the parish school shall be provided with an alternate means of catechesis.

**Wellness Policy**

Rationale
Catholic education has as its goal the total development of the individual as a responsible member of the family, the Catholic faith community and the global community in which we live. Good health is essential to wholesome growth through the spiritual, mental, physical and social development of the individual as well as the community. A major theme of Catholic social teaching, Human Dignity and the Value of All Life, carries the responsibility to care for the health and well-being of not only oneself, but of others. The concept of wellness is a core principle supporting both health and physical activity. The parable of the talents indicates that we are expected to develop our potential and our gifts. Another of the justice themes call us to Care for God’s Creation. There is a direct relationship between the health of the planet and the health of its human inhabitants. Wellness is compatible with limitations. We must be patient with our own limitations and tolerant of the limitations of others. Proper nutrition, health practices and physical activities involve respectful and responsible collaboration. It is expected that students will learn to make choices related to health and fitness based on Christian values. Thus each student will develop as “a healthy person who is respectful of life, practicing good health habits, committed to reaching one’s full potential and a good sport.” (Profile of a Catholic School Graduate)
Statement of Policy
In accordance with the Diocese of Cleveland, St. Angela Merici Parish School is committed to the goal that all students and staff shall possess lifelong knowledge and skills necessary to make nutritious food and enjoyable physical activity choices through effective use of school and community resources and attentiveness to student and staff needs and interests, taking into consideration differences in culture.

● Schedule lunchtime as near the middle of the school day as possible, preferably between 11:00 AM and 1:00 PM.
● Make available drinking fountains or other accessible drinking water so that students have access to water at meals and throughout the school day.

Homework Policies
Homework is assigned by teachers at every grade level in order to enhance, to provide practice or to extend classroom learning. Homework can be assigned nightly and may be assigned over the weekend or during vacation periods. The length of homework assignments depends on several factors such as the initiative of the student, the ability of the student, the type of assignment given, and the environment in which homework is completed.

In addition, homework assists students in developing a sense of responsibility, dependability, and time management skills. Students are responsible for recording their homework assignments in their assignment notebooks, bringing all necessary materials home, and completing homework assignments on time and to the best of their ability. Although completion of homework is the student’s responsibility, parents should provide an environment at home that encourages responsible completion of assignments and to review or check assignments as needed. Providing a definite time and a quiet place for homework completion assists students in developing good study habits.

Individual teacher and/or grade level expectations and policies regarding homework completion, and incomplete or missed assignments will be communicated to students and parents at the beginning of the school year. Please note that extracurricular activities are not accepted as an excuse for incomplete or missed assignments. Each teacher's consequences for incomplete or late homework will be communicated in their homework policies and may include, but are not limited to: reduction of assignment grade, parent notification, a Responsibility Detention, loss of free time or minor privileges, and/or a parent-student-teacher conference to develop a plan to improve student accountability and to promote academic progress.

Assignments
● At least 1-1½ hours should be spent each night completing homework.
● All written work must be done in neat and legible handwriting, per teacher direction.
● A deduction of 20% per day will be taken for late assignments, with the exception of a late vocabulary workbook unit (50% deduction).
Incomplete or sloppy work will be penalized (it is the student’s responsibility to always turn in his/her best work, using his/her best effort).

Missing assignments or tests will revert to a zero if not made up within a reasonable period of time (designated by the teacher).

**Make Up Work Due to Student Absence**

Although assignments can be completed and teachers are willing to give assistance as needed, the daily classroom interaction between students and teachers cannot be duplicated. Students, with the assistance of their parents, are responsible for completing work missed during any absence from school. During unexcused absences, students will not receive credit for completing missed assignments and will receive zeroes for all work missed during an unexcused absence. **Ultimately, the absent student has the responsibility for finding out missed assignments, obtaining books and materials, and making up the missed work.**

**Tests, Classwork, and Homework Missed Due to Absence**

- Students who are absent or miss an exam need to make up the exam during class or after school on the day of their return, unless other arrangements have been made with the teacher.
- **Any missed work is to be turned in the day following your return, unless other arrangements are made with the individual teacher.**
- Work should be obtained from the study buddy on the evening of the absence and completed for the next day, if possible.
- If the student is unable to complete the work, he/she should see the teacher before the start of the class to make other arrangements.
- A student who misses all or part of a class for any reason (e.g. serving, band, medical appointment, etc.) is responsible for all missed class activities or assignments due that day.
- Check Gradelink for classwork and homework updates

**Study Buddy**

- Students in the Middle School should find someone who is in most of your switches to serve as your study buddy. The person you select will be responsible for gathering your work, notes, assignments, and books for you in your absence.
- Choose someone reliable for your study buddy.
- Be sure to have an alternate study buddy in case your designated study buddy is absent the same day you are.

**Absent Homework Pick-up times**

- Parents may pick up student work on the day of the absence between 2:30 and 3:00, if the work was not taken by the study buddy.
- Student work is expected to be picked up at the end of each day, if the student is absent multiple days.

**Cheating and Plagiarism**

- Sixth, seventh and eighth graders will receive a disciplinary detention and a zero on the assignment if the work is not the original work of the student. This applies to the cheater and “cheatee” (one who provides work).
- The consequence for a second offense for cheating is a meeting with the principal/designee and the student’s parents.
- Plagiarism will be dealt with on a case-to-case basis and consequences will depend on the degree of severity (as identified in the Student-Parent Handbook).
● If there is question about the authorship or originality of student performance on an assignment, the teachers and administration reserve the right to have a student complete the assignment in a monitored environment after school. If the work is not compatible, the student will receive a zero and a student/parent meeting will be scheduled.

Assessment of Academic Performance

Report of Student Progress
In order to provide parents with feedback on their child’s achievements, St. Angela Merici School provides parents with:
● Internet-based Gradelink grade progress reports with regular updates
● Report cards that are sent home quarterly in grades K–8

Grading Scale (Grades 3 – 8)
St. Angela Merici School uses the grading scales recommended by the Diocese of Cleveland as listed below. Teachers will communicate to students and parents at the beginning of the year which scale will be used in their classroom.

**Honor Roll Policy for Middle School (Grades 4 – 8)**

Students in grades 6 – 8 have the opportunity to be recognized for academic excellence through our Honor Roll Program. Students in Grades 6-8 must achieve the following to be eligible for Academic Honors:

First Honors ......................... A to A+ combined average (3.70 to 4.30 GPA)
Second Honors ....................... B+ to A- combined average (3.30 to 3.69 GPA)

To be eligible for First or Second Honors, only Outstanding and Satisfactory are acceptable in effort and conduct. A student receiving academic honors may not have a C or a Needs Improvement (NI) or Unsatisfactory (U) mark. Special Subjects, Conduct and Effort must be an O, S+, S or S- to be recognized on Honor Roll.
Honor Roll Determination ~ Computation of Combined Academic GPA

The combined academic grade point average (GPA) is computed using the following points:

- A+ = 4.3
- A   = 4.0
- A-  = 3.7
- B+  = 3.3
- B   = 3.0
- B-  = 2.7

Please note that point values for a grade lower than a B- are not computed because a C grade or lower excludes a student from Honor Roll.

Core Subjects (Math, Reading, English, Theology, Science, and Social Studies) are each weighted at 1.0
Vocabulary and Spanish are weighted at .25
Health, Music, Physical Education, Computer Technology, and Art are weighted at .125

The quotient is truncated to the 1/100 decimal place and not rounded.

Retention

If a student receives an F (69% and below) average in three or more main subjects (Math, English, Reading, Science, Social Studies) at the end of the academic year, the student will not be promoted until the required summer school and/or tutoring is satisfactorily completed. Parents/guardians will be notified about possible retention prior to mid-third quarter.

If a student fails one major subject (Math, English, Reading, Science, Social Studies), the student will be recommended for summer school/tutoring for that particular subject.

Home-School Communication

Regular communication between the home and school is the foundation of a supportive and cooperative partnership because this relationship is important for a child’s positive school experience. St. Angela Merici Parish School is committed to partnering with parents, to cultivate communication and understanding for the growth and development of each student.

Gradelink

- Grades are posted on a regular basis (check with your child’s teacher for specifics.)
- Check Gradelink for your child’s progress on a regular basis, not only for test and quiz scores, but for assignment completion as well.
- This is the best way to stay informed about missing assignments.

Student Code of Conduct

Catholic education must include the emphasis on the whole child, which includes the development of moral character. For this reason, a code of conduct is necessary in cultivating a sense of Catholic values, encouraging students to think independently in order to make sound judgments, and developing the self-discipline and self-control to live Gospel values. All students at St. Angela Merici School are expected to behave in accordance with the school mission and belief statements and to act as a Catholic young lady or a Catholic young gentleman at all times, both at school and at school events.

The Code of Conduct for St. Angela Merici School is rooted in the key Catholic values represented by the mission and belief statements are: Faith, Service, Leader and Role Model, Respect, Uniqueness, Safety, Excellence and Self Directed Learner.
These Catholic values act as a compass for the classroom rules that span the K – 8 continuum in age-appropriate means.

As part of the St. Angela Merici School community – including all students, parents, faculty, staff, volunteers, and administration – we acknowledge and accept the values and policies of the school and parish that are intended for the good of the entire school community. Fair and consistent expectations of acceptable behavior in students provide the environment in which to develop a child’s growing awareness of conscience and of appropriate behavior expectations. Keeping this in mind, students may make mistakes, including mistakes in behavior choices, as part of their learning process. We believe that the education of your child is a partnership between you and Saint Angela Merici School.

- Contract for behavior change
- Probationary contract
- Expulsion/dismissal or non-re-admittance for next academic school year
● Other consequences deemed appropriate by the pastor or principal

Note: Consequences for a student's actions will be timely and appropriate; these consequences may not be sequential depending on the infraction.

Behavior Altering Time (B.A.T.)

● Will be given for the violation of a school/classroom policy or procedure that does not warrant a detention or more significant discipline.
● Following the third week of school, a B.A.T. will be given for forgetting class materials in a locker.
● Served from 2:35 p.m. – 3:00 p.m. on the day indicated.
● The completed, signed slip (appropriate behavior choice and both student and parent signatures) must be returned to the teacher by 8:00 am the next school day.
● The appropriate behavior choice should be well thought out and written by the student and the B.A.T. time after school should reflect appropriate consequences for the reason the B.A.T was issued.

Failure to return the slip to the teacher by 8:00 am the next school day will cause a responsibility detention to be issued.

Detentions

At St. Angela Merici School, there are two types of detentions: Responsibility Detentions and Disciplinary Detentions.

Responsibility Detentions are earned and served for failure to act responsibly for choices including, but not limited to: ten accumulated tardies in one academic quarter, in returning parent notification forms (BATS, detention forms, report cards, signed test etc.), failure to serve a BAT. If a student receives five responsibility detentions, the school may contact the parents to arrange a mandatory conference with the principal, student, parents, and/or teacher. At this conference, there is a discussion of the behavior modifications necessary for the student to avoid subsequent detentions. After each additional five responsibility detentions, the principal or may arrange another mandatory conference.

Disciplinary Detentions are earned and served for a serious behavior choice that is inconsistent with Catholic values including, but not limited to:

● Safety Violations: Pushing/shoving, bullying or teasing, failure to comply with safety rules/policies/procedures, in unassigned area without permission, unsafe behavior in any form, eating or drinking outside of cafeteria (including gum or candy), violation of cell phone policy, violation of acceptable use or Internet policies, talking or disruptive behavior during an emergency drill, other safety violations
● Integrity Violations: lying/misrepresentation, cheating/academic dishonesty, forgery, stealing, failure to serve assigned detention, going through/moving faculty or staff’s or another student’s property without consent, other integrity violations
● Respect Violations: disrespect of faculty/staff/other adults, refusal to comply with staff directives, disrespect of other students, disruptive or distracting behavior, inappropriate language (oral, written, drawn or gestured), Bus Report, Dress Code violation, violation of classroom rules, policies or procedures, disrespect of property, vandalism/defacing property/misuse of school property, other respect violations
● Catholic Values Violations: failure/refusal to participate in prayer or liturgy, failure/refusal to assist or serve others, disrupts another person’s right to pray or serve others, encourages another student to violate the code of conduct, public displays of affection, other core value violations.

Students who receive five disciplinary detentions:
The school administration reserves the right to require (including but not limited to): conference with principal and/or pastor, contract for behavior change, loss of privileges, referral to the Intervention Assistance Team, probationary contract, suspension, or expulsion.

Detentions are served by students after school on the date and at the times listed on the detention slip. Students who do not attend the assigned detention date and time as noted on the detention slip will serve an additional detention. If a student is unable to attend a detention due to a medical appointment, written documentation from the health care provider is required. Students must have a detention slip signed by their parent/guardian and returning to the issuing teacher by no later than the next school day. Detentions are scheduled on Monday and Thursday afternoon from 2:40-3:10 pm. A parent, guardian or other adult designated by the parent or guardian must provide transportation home from detention. During the detention session, the student reflects on his actions, assumes responsibility for inappropriate behavior and plans to make correct choices in the future.

Suspension and Expulsion
Some violations of the Code of Conduct and serious discipline matters may result in a student’s suspension. A suspension is an extreme consequence designed to impress upon the student the seriousness of his or her behavioral choices. A suspension may be issued to a student including but not limited to (1) committing a serious violation of school policy or serious misconduct, as determined by the school and/or parish administration, or (2) receiving five behavioral detentions in one academic year or any additional detentions, or (3) while a disciplinary matter is investigated, or (4) while a student needs to be assessed and evaluated by a psychologist or other therapist to determine whether the student is a danger to self or others in order to determine if a disciplinary action or probationary contract should be devised, or (5) when a student may be a danger to self or others but the matter is not yet fully resolved, or (6) when called for by one of the other policies in this handbook.

Suspension is used for severe offenses at the discretion of the principal and/or pastor. Student actions that can lead to a suspension and/or expulsion include, but are not limited to: Leaving school premises without permission, possession, use, sale transmission, attempted use, attempted sale, or attempted transmission of drugs, alcohol, tobacco, hallucinogens, controlled substances, and look-a-likes, assault on a student, staff member or volunteer, prosecutorial acts (i.e. commission of a crime and/or actions for which prosecution is instituted), abuse of computer hardware or software, falsely calling 911 or falsely pushing a fire alarm, threats of any type, possession of flammable objects, possession of firearms or look-a-likes, harassing conduct including but not limited to sexual harassment, acts of indecency or voyeurism, repeated, extreme, excessive or profane vandalism or graffiti on any school or personal property (restitution is expected), repeated or extreme aggressive physical contact including but not limited to fighting, tripping, pushing, or shoving, repeated or extreme inappropriate, vulgar, indecent, offensive, or profane language spoken, written or gestured, repeated or extreme disrespectful behavior including but not limited to verbal abuse, negative or belligerent attitude, or demanding reasons when being corrected, repeated or extreme verbal aggression including but not limited to bullying, name-calling, taunting, teasing, or put-downs, inappropriate or sexual contact between students including but not limited to public display of affection, Bus Report (repeated or serious offense) excessive or unexcused absences or tardies,
repeated dress code violations or failure to comply with dress code, repeated acts of misbehavior and other serious behaviors as determined by principal.

A student’s suspension may be either an in-school suspension or an out-of-school suspension as determined by the principal. A mandatory parent conference will occur with student, teacher, and principal prior to suspension. At the conference, the principal explains the reason for the suspension and leads a discussion to plan behavior modifications for the student to avoid future suspensions.

Before a student is readmitted to class following any suspension, the following must occur: (1) any work missed during the suspension must be made up without credit, and (2) the student and one parent must meet with the principal and/or pastor for a post-suspension conference. In some cases, other conditions, as determined by school or parish administration, must be met prior to readmittance including but not limited to a behavior management plan, behavior contract, probationary contract, or a psychological/psychiatric referral and treatment.

The responsibility for determining a student’s expulsion is made after serious consideration of all factors by the principal and the pastor. The principal and pastor may deem an action by a student so severe that it would result in immediate expulsion from school. However, the principal and pastor may deem that a pattern of suspensions would result in an expulsion from school.

**Searches**

The school reserves the right to search **everything** on the school property. All property of the school, including but not limited to students’ desks and lockers, and files on computers or network storage areas, as well as their contents, may be searched and inspected at any time without notice. School personnel have the right to search the above.

**Communication Regarding Disciplinary Decisions**

If you have questions or concerns regarding a disciplinary decision, contact the issuing teacher via email, note or phone message to discuss your concerns or questions. If you have already contacted the issuing teacher and still have questions or concerns after discussion with the issuing teacher, contact the principal or designee via email, note or phone.

Because it is impossible to foresee all problems that arise, the administration is authorized to take disciplinary action for any behavior that violates the spirit, mission, and philosophy of St. Angela Merici School even though the act is not specified under the code of conduct and discipline policies and procedures.

**Cell Phone and Electronics Policy**

No student is permitted to use a personal cell phone in the school building during the school day and school events. All student cell phones and any electronic devices -- including but not limited to MP3 players, games, cameras, iPods, Nanos, CD/DVD players -- must: (1) remain in the student’s locker in their backpack, (2) turned off during the school day, and (3) not be taken out and used in the school building at anytime. **Any student with a cell phone or any other electronic device out of their locker without teacher or principal permission will receive the following consequences:**

1. **First Offense:** The cell phone or electronic device will be confiscated, and the student’s parent must make an appointment with the principal to obtain the cell phone or electronic device, and the student will receive a disciplinary detention.
2. **Second Offense:** The cell phone or electronic device confiscated for a period of five school days, and the student’s parent must make an appointment with the principal to obtain the cell phone or electronic device, and the student will receive a disciplinary detention.

3. **Third Offense:** The cell phone or electronic device confiscated for the remainder of the school year, and the student’s parent must make an appointment with the principal to obtain the cell phone or electronic device, and the student will receive a disciplinary detention.

Repeated cell phone or electronic device infractions may result in additional disciplinary consequences including suspension or dismissal. *Please note that the cell phone policy is applicable even for phone calls or text messages received by students from parents or guardians.*
