The Patriot Flight Mission for Veterans

Dear Patriot Flight Veterans, Patriot & Friends:

Patriot Flight is having a flight on April 28, 2018 with at least fifty Veterans visiting Washington DC to visit their War Memorials. We have a one day excursion for any Active Duty Veteran who served anywhere and up through the Vietnam War.

Our Mission Books offer a token of appreciation to the Veterans, Guardians and Patriots and commemorates our very special day. The booklet contains photos, Veterans' stories, Veterans 'in memoriam' and well wishes.

The booklet is used for promotional and other publicity events during the year. We provide a Mission Booklet to all who attend the flight and to others who attend our Flight Day Send-Off Ceremony. We thank you for sponsoring and to help fund our future flights and Mission booklets. Our ad price sheet is attached.

We have our Pre-Flight Meeting on Sunday, April 22, 2018 at the Zaloga American Legion Post in Albany at 1 pm. It is open to all the Veterans, guardians, families, friends and you.

In addition to your financial support, please help us find s find Veterans and Guardians for our flights. We maintain a very good computer data file. We accept applications at any time and we maintain a very good computer file. Applications are available on our web at patriotflight.org

Many of the Veterans and patriots meet and share at an informal and growing breakfast clubs in the area: We call it

Gateway Diner 899 Central Ave Albany every Friday 8 am

Schodack Diner in Schodack every Thursday 8 am
