

## FATHER / DAUGHTER 2017

Register now for this year's Father/Daughter routine! Our Father/Daughter routine has gained significant popularity over the last several years. An overwhelming number of fathers, grandfathers and uncles dance alongside their special girls each year. Without a complete registration it's difficult to determine which Father/Daughter rehearsal hour you will be scheduled for. Based on registration the groups will be split for rehearsals and between our matinee and evening performances. Privilege of dancing in both shows will be given to our students who are graduating this year as they dance their last season with SBS as well as Fathers with more than one daughter participating. If your child's regular classes are scheduled to dance ONE SHOW **we cannot guarantee that daughters and their fathers will be dancing in the same show as their other class genres.** The first rehearsals will begin on Friday, March 31st and will continue to run on Friday evenings thereafter except for **one Mandatory Rehearsal** on Wednesday, May 31st (held at the American Legion Post 440). Two separate rehearsals will be hosted, one for Father/Daughter dancing matinee and the other for our evening performers. We need families to be flexible. Forms are due back on Friday, March 24<sup>th</sup>. Early registration makes planning rehearsals and determining which show you will participate in much faster and easier so please don't wait until the last minute to register.

Daughters **MUST** be in Second Grade or higher and be able to attend late night rehearsals in order to participate. Registration will be accepted from families with no outstanding tuition or costume balances. Students must have good attendance in their regular weekly classes. The \$75.00 registration fee will go towards teaching time for 11 classes and choreography. An additional \$25.00 will be required for each additional sibling participating in this routine. We currently don't know the costume for this routine. It could be something purchased through our studio or something you will need to purchase on your own. We will inform you of any additional fees or what you will need as soon as we final up the details. It's a terrific bonding experience and a barrel of laughs!
