

## BONAIR CONSTRUCTION IMPACTS

There will be significant construction expansion in the Bonair yard starting in early February. A large area will be closed between the 340 and 315 buildings, requiring several detours. Also, the fence/gate off of Pampas Lane (near the Credit Union) will be opened for alternative vehicle access from Serra. Key pick up and vehicle fueling will be affected.

Please see map for specific locations and dates. For more information, contact Steve Clarkson [sclarkson@stanford.edu](mailto:sclarkson@stanford.edu)

## Bonair Traffic Impacts 2/5 – 3/3
