

# API BONE MARROW DRIVE

ENJOY A **FREE LUNCH** & **SAVE A LIFE!**

TUESDAY, January 17, 2017  
11 a.m. to 1 p.m.  
UCI Pacific Ballroom C

Come for a **free** banh mi lunch and learn about the **Be the Match** national bone marrow registry.

Each year, over 30,000 children and adults in the United States are diagnosed with life-threatening blood diseases like leukemia. About 70% of those patients must search for an unrelated bone marrow donor.

One patient is Judge Arthur Nakazato, the Orange County Asian American Bar Association's Founding President and retired United States Magistrate Judge. Unfortunately, Asian patients like Judge Nakazato have a low chance of finding an unrelated donor because few Asian donors are entered in the registry. Give hope to patients like Judge Nakazato in need of lifesaving marrow match, and learn how to register.

Asians for Miracle Marrow Matches ([www.a3mhope.org](http://www.a3mhope.org)) representatives will be present to help register interested attendees.
