**NC Fisheries Workshop Update:**

The date and location is set for:  
September 17, 2016  
8:00am till 5:00pm  
NC History Center at Tryon Palace in New Bern.

The address is 529 S Front St, New Bern, NC 28562.

For this workshop, all items necessary will be provided, including a packet containing handouts to follow along with and take notes.

I need an accurate count of who wishes to attend in order to have handouts prepared, so if you are planning to attend but have not confirmed, please let me know ASAP. It is also my intention to provide a light lunch in order to keep the class rolling and provide time for related discussion.

Even if you have not responded yet, but wish to attend, please contact me as soon as possible. Still, I anticipate plenty of walk-in room for those who decide at the last minute.

If you have not done so already, please contact me at [davidbush@ncfish.org](mailto:davidbush@ncfish.org), or 910-777-1605 to reserve a seat for you.
