## 490 Board of Education Candidates Questionnaire

1. Why did you decide to run for USD 490 Board of Education? I decided to run because I care deeply for children and I want them to feel successful, loved, and safe every day when they go to school. I enjoyed my employment with USD 490 and made positive and lasting relationships with families. I would love to continue to help improve our schools, our community involvement and most of all, our children and teachers.
2. Do you feel you are qualified for this position and if so, why? Yes, I do feel that I am a qualified candidate for this position. I was a former employee of USD 490 for 13 years, from 2004-2017. My oldest son graduated from this district in 2016 and my youngest son is a senior at EHS. I have also lived in and have been a part of the El Dorado community for 18 years.
3. If elected, what would be your top priority or focus? If I were to be elected, my top priority and focus would be to see more consistency throughout the district as far as discipline, school policies, and the safety of students and staff.
4. Is there anything else you would like to add as you are considered for this position?
