KEYNOTE SPEAKER

Neal Petersen

South African-born, Neal Petersen is a history-making, world-class adventurer, award-winning author of *Journey of a Hope Merchant* and the subject of a PBS documentary. Petersen has faced many challenges in life – poverty, discrimination during the harsh era of Apartheid in South Africa, a childhood disability and other insurmountable barriers – and he always responded by looking for opportunities and solutions to achieve his dream. His experience shows that imagination coupled with determination to achieve, can break through the toughest challenges. Neal completed the 1998-99 “Around Alone” the most dangerous endurance sport known to man, a 27,000 mile yacht race, 9 months at sea - **alone**, via Cape Horn, and in the smallest yacht he designed and built himself.

In sharing his high-impact, unique and extraordinary adventure, Neal delivers a powerful message that

“In Life There Are No Barriers ~ Only Solutions!”

Quite simply, this is a fascinating story of the sea, and one man’s hope, determination and joy for life.
