

## To download the HandBid App:

Visit <http://mobile.handbid.com/> from your phone and follow instructions to “Get the App”

OR

Go to your phone’s app store and search for “Handbid”

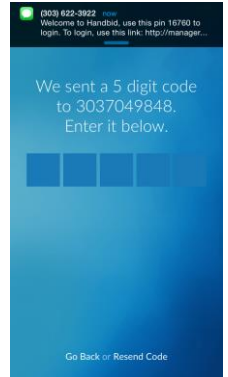

1

Create an account using the app with a few simple pieces of information (Name, cell phone number and email address).

You will receive a text from handbid with a 5 digit confirmation code to ensure that Handbid has the correct information.

2

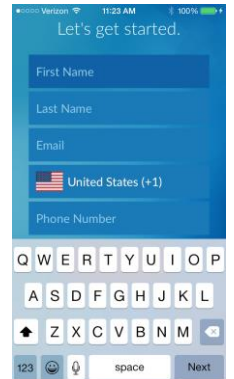

Enter confirmation code to begin using app.

Once logged into the Handbid app, look at the left hand column...

1. Under profile, change your display name to be the name you want people to see as you bid. You may also want to add in your credit card at this time to make check in and check out even quicker. (We will not automatically charge your card but you may have the option to pay for items you win depending on the auction setting)

2. Click on Auctions and search for our event name: **2017 Maroon Club Golf Outing**

3. Once in our event, scroll left to review items and begin bidding.
