### **Mid Atlantic Trust Company Joins VMS's Retirement Revolution Ecosystem**

Pasadena, CA—August 29, 2016—Vertical Management Systems, Inc. (VMS) announced today the addition of Mid Atlantic Trust Company (Mid Atlantic) as a trading destination and custody provider to its growing list of Advisors and Third Party Administrators.

Access to Mid Atlantic's supermarket of funds, ETFs, and advanced tools such as ModelxChange™, presents plan sponsors, advisors and third party administrators who utilize Retirement Revolution with a variety of investment options to best service their plans.

"We are excited to offer our services to VMS's Retirement Revolution ecosystem. Their modern technology structure allows Mid Atlantic to provide a very cost effective solution to their end-clients," said **Tim Friday, President of Mid Atlantic**.

"We are very pleased to add Mid Atlantic to our growing list of service providers," added **Robert Ward, Chief Revenue Officer for VMS**. "They have been, and continue to be, at the forefront of the advisor and retirement community."

Retirement Revolution is a next-generation record keeping platform built for today's demands, with 100% fee transparency, true open architecture and participant-level recordkeeping. For more information, see <http://vmsholdings.com/Home/RetirementRevolution>.
