CSCR Fellow Application

Appointment as an honorary Fellow in a professional society is designed to honor exceptional achievement and service within the professional domain of the awarding body. Meeting the minimal requirements for advancement to CSCR Fellowship status does not guarantee advancement to CSCR Fellowship. The peer-reviewed phase of the application, along with the achievement of the minimum requirements, will ultimately determine if advancement to Fellowship is warranted. Please email your complete application along with your letters of recommendation to: cscrmedia@gmail.com

Below are the minimum requirements for consideration of advancement to Fellow status:

- Be a CSCR Member in good standing for at least 3 consecutive years immediately preceding the application process
- Attended a minimum of 3 CSCR state conferences in the last 5 years.
- Provide a letter of recommendation in writing from at least 2 current or former CSCR board members or AACVPR Fellows/Masters
- Submit curriculum vitae that includes evidence of distinguished service to CSCR and/or the field of cardiac rehabilitation
- Submit in writing under 1000 words or less evidence of outstanding performance in the field of cardiac rehabilitation
- Demonstrate a high degree of professional development and a commitment to the goals and long-range activities of CSCR

The Awards Committee considers the following information when considering Fellowship applicants:

- The strength and enthusiasm of the candidate’s endorsers
- The significance, quality and role of service over time during which the candidate has been associated with CSCR
